THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 avril 1917, représentant que la compagnie dite "Northern Fish Company, Limited," de Selkirk, Manitoba, a demandé la cession à bail, pour les fins d'une station de pêche, de la moitié nord d'une île située dans le lac Winnipeg, province du Manitoba, antérieurement connue sous le nom de Sandy Island ou Middle Sandy Island, et maintenant sous celui de Sandy Island.

Comme le terrain demandé est disponible d'après les archives du Département de l'Intérieur, le ministre demande l'autorisation en vertu des dispositions du chapitre 57 des Statuts Révisés du Canada, 1906, de louer cette île au requérant, pour les fins d'une station de pêche, pendant une période de dix ans, au loyer annuel de \$200 payable d'avance. Outre les conditions ordinaires dans les cas de ce genre, le bail contiendra une restriction qu'il ne cède le droit à l'usage exclusif du havre sur le côté ouest de l'île, qu'il peut être révoqué en tout temps après un an d'avis du ministre de l'Intérieur et que Sa Majesté se réserve tous les droits de pêche et d'occupation sur la dite île, ainsi qu'autour et dans le voisinage de cette île, et le droit d'accostage et d'amarrage des bateaux et des vaisseaux en tout point quelconque des rives de la dite île, et l'usage des dites rives en rapport avec les droits de pêche.

Le terrain demandé, qui peut être décrit plus munitionnement comme lot 2, groupe 273, île Sandy, dans le lac Winnipeg, province de Manitoba, contient 85 acres et est indiqué par des hachures noires sur le plan annexé.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que le 5 juillet 1911 James Wilson obtint l'inscription de homestead du quart nord-est de la section 35, township 19, rang 11, à l'ouest du méridien principal, dans la province du Manitoba.

Le ministre déclare que les faits soumis indiqueraient que cet inscrit a résidé sur ce quart de section du 15 octobre 1914 jusqu'au printemps de 1915, et a clôturé tout le terrain, y a érigé une maison et une étable, et fait 17 acres de défoncement qu'il a ensemencés.

M. Wilson a présenté un certificat médical, dont copie ci-contre, établissant qu'il est tout à fait impropre à remplir ses obligations de résidence à venir ;

Vu la teneur de ce certificat, le Ministre recommande qu'on l'autorise, sous l'empire du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, à relever M. Wilson de ses obligations de résidence à venir, et que patente gratuite soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire qu'il a rempli ses autres obligations.

Le comité agréé cette recommandation et la soumet pour approbation.

Greffier du Conseil privé.

ATTENDU que par un arrêté en conseil du 8 avril 1914, il a été accordé à la municipalité rurale de Lakeview n° 454, dans la province d'Alberta, des lettres patentes, en date du 28 juin 1915, pour huit acres de terrain compris dans le quart fractionnaire sud-ouest de la section 30, township 47, rang 11, à l'ouest du 4e méridien, pour les fins d'un cimetière.

Et attendu que ces huit acres de terrain n'ont pas été trouvés satisfaisants pour les fins d'un cimetière et que la dite municipalité rurale les a remis à la Couronne pour le Canada et a demandé en échange huit acres compris dans une lisière de terrain de 4 chaînes de largeur et de 20 chaînes et 8 chaînons de longueur le long de la borne sud du dit quart de section fractionnaire, mesuré à partir de l'angle sud-est.

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de sanctionner l'échange des terrains en question et d'autoriser la concession des dits huit acres maintenant demandés à la municipalité rurale de Lakeview n° 454, dans la province d'Alberta, pour les fins d'un cimetière.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉ-
RAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 11 avril 1917, représentant que M. D. Dennill a obtenu, le 29 août 1907, l'inscription de homestead pour le quart sud-est de la section 2, township 51, rang 4, à l'ouest du 5e méridien, et qu'il a accompli toutes les obligations prescrites par la *Loi des terres fédérales* pour lui donner droit à sa patente. On découvrit ensuite que 24.28 acres de ce quart de section avaient déjà été concédés à l'honorable G. B. Rouleau et M. Thomas Henderson dans une vente de terrains miniers qui comprenait aussi les droits de surface.

Dès que le département fut informé de ce fait, il offrit à M. Dennill une égale étendue de terrain voisine de son homestead au sud, mais il refusa de consentir à cette proposition parce que le terrain était densément boisé et était séparé de son homestead par une réserve de chemin.

M. Dennill évaluait les 24.28 acres susdits à \$10 l'acre, estimation qui a été confirmée par un inspecteur de homestead. M. Dennill consentit finalement à accepter, au lieu de ce terrain, la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien. Ce terrain fut évalué par un inspecteur de homestead à \$3 l'acre, et par conséquent, et à peu près la même valeur que les 24.28 acres soustraits de l'inscription.

En accordant la patente gratuite des subdivisions légales, ci-dessus mentionnées on met obstacle à la vente du reste du quart nord-est de la section 9, ainsi que du quart nord-ouest de la section 9 au nord et à l'est de la rivière, et il a par conséquent été décidé de se rendre à la demande de M. Dennill, à condition qu'il achète le reste du quart nord-est de la section 9 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'est de la rivière, dans le township 51, rang 3, à l'ouest du 5e méridien, contenant 64.1 acres plus ou moins, conformément à l'arpentage, à l'évaluation faite par l'inspecteur des homesteads, soit au prix de \$3.00 l'acre.

M. Dennill a signifié son consentement à l'arrangement suggéré par le Département de l'Intérieur et a fait paiement complet des 64.1 acres susdits.

Par conséquent, en vue des faits précités, et conformément aux dispositions de l'article 76 du chapitre 20, 7-8 Edouard VII, que M. Dennill reçoive la patente gratuite des subdivisions légales 9 et 16 de la section 9, township 51, rang 3, à l'ouest du 5e méridien, en compensation pour les 24.28 acres de son homestead qui avaient été autrement concédés, et que lui soit aussi accordée la patente du terrain qu'il a acheté, savoir, les subdivisions légales 10 et 15 et le quart fractionnaire nord-ouest de la section 9 au nord et à l'ouest de la rivière Saskatchewan, dans le township 51, rang 3, à l'ouest du 5e méridien.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 avril 1917, représentant que le 7 juin 1915, M. Allan Edward McDonald a obtenu l'inscription de homestead pour le quart sud-ouest de la section 4, township 79, rang 5, à l'ouest du 6e méridien ;

Le Ministre ajoute qu'un certificat médical des docteurs Wm. Gibson et W. T. Connell, de Kingston, Ont., daté le 12 mars 1917, déclare que M. McDonald souffre de paralysie générale qui l'empêche de retourner à Spirit-River, Alta., pour continuer ses travaux sur son homestead à cet endroit ;

Un autre certificat médical du docteur Shaw, de Spirit-River, Alberta, daté le 10 janvier 1917, déclare que M. McDonald souffre de paranoïe ;

Une lettre de M. Roderick McDonald, le père de l'inscrit, datée le 31 mars 1917, assure le Département de l'Intérieur qu'au meilleur de sa connaissance son fils avait résidé huit mois sur le homestead et avait presque complété ses autres obligations. Il est vétéran de la guerre sud-africaine et a offert ses services au début de la guerre actuelle, mais a été refusé comme étant physiquement impropre au service. Les derniers travaux sur le homestead seront complétés cet automne.

En vue de ce qui précède, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales, 1908*, l'inscrit soit exempté de toute autre obligation de résidence afin que la patente du terrain puisse être émise dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies. M. McDonald est sujet britannique.

Le comité agréé cette recommandation et la soumet pour approbation.

2, à l'est du méridien principal, dans la province du Manitoba, comprenant une superficie totale de 975.90 acres.

Et attendu que le terrain en question est disponible pour les fins susdites d'après les archives du Département de l'Intérieur.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de décréter que ledit terrain, qui est plus minutieusement décrit ci-dessous, soit par ces présentes soustrait de l'application de ladite loi et mis en réserve pour les sauvages de la bande des Peguis.

Ce terrain peut être décrit plus minutieusement comme suit :

La moitié est de la section 31 et toute la partie de la section 32 située à l'ouest de Fisher-Bay, township 29, rang 2, à l'est du méridien principal ; le quart sud-ouest de la section 6, et les parties du quart sud-est de la section 6 et du quart sud-ouest de la section 5, situées à l'ouest de Fisher-Bay, dans le township 30, rang 2, à l'est du méridien principal, ainsi qu'indiqué sur des plans d'arpentage des dits townships approuvés et confirmés à Ottawa, le 11 janvier 1912, par Edouard Deville, arpenteur général des terres fédérales, et déposés au Département de l'Intérieur, le tout comprenant 975.90 acres, plus ou moins.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- | | |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |

| (i) Pour chaque million ou fraction de million de dollars additionnel.... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endorsed "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examinateur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examinateur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1917, from the Minister of the Interior, stating that Mr Allan Edward McDonald obtained homestead entry for the south-west quarter of Section 4, Township 79, Range 5, west of the 6th Meridian, on the 7th June, 1915.

The Minister further states that a Medical Certificate furnished by Doctors Wm Gibson and W. T. Connell of Kingston, Ontario, dated 12th March, 1917, sets out that Mr. McDonald is suffering from general paresis, a condition that will prevent his return to Spirit River, Alberta, to undertake the further occupation and development of his homestead situated at that place.

Another Medical certificate furnished by Doctor Shaw of Spirit River, Alberta, dated 10th January, 1917, sets out that Mr. McDonald is suffering from Paranoia.

A letter from Mr. Roderick McDonald, the entrant's father, dated 31st March, 1917, assures the Department of the Interior that his son had, to the best of his knowledge, resided on the homestead for eight months and had nearly completed the other duties. He is a Veteran of the South African War and volunteered for service at the outbreak of the present war but was rejected as medically unfit. The necessary work will be completed on the homestead this fall.

The Minister recommends, in view of the foregoing, that, under the provisions of subsection 2 of Section 20, of The Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to him upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled. Mr. McDonald is a British subject.

The Committee, concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

Wednesday, the 7th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by Order in Council of the 30th January, 1914, authority was given to grant to the Keeseekoowenin's band of Indians a tract of land, one hundred acres in extent, in the north-west quarter of section 15, township 19, range 20, west of the first meridian, in the Riding Mountain Forest Reserve, in exchange for certain lands comprised in Indian Reserve, No. 61A, which are affected by flooding, owing to the construction of a dam at the outlet of Clear Lake for the development of water power for the town of Minnedosa ;

And whereas it has been ascertained that the land to be granted to the Indians, as described in the said Order in Council, does not include the land actually required by the Indians ;

Therefore, His Excellency the Governor General in Council is pleased to order and it is hereby ordered that the said Order in Council of the 30th January, 1914, be rescinded insofar as it affects the description of the land to be granted to the Indians, and that the land hereinafter described, comprising one hundred acres, be granted instead thereof ;

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Alcohol Tables compiled by Otto Hehner, F.C.S., which have been used since 1884 for the purpose of ascertaining the strength of spirits from the specific gravity, have been found inaccurate to a certain extent and, in recognition to this fact, Sir Edward Thorpe, late principal of the Government Laboratories at London, England, has compiled a set of Alcoholometric Tables, based upon the most recent and exact data obtainable, which have been adopted by the Board of Customs and Excise, London, England,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Inland Revenue and under the provisions of section 140 of The Inland Revenue Act, is pleased to order that the Spirit Tables compiled by Sir Edward Thorpe, of London, England, shall be adopted by the Government of Canada as the Standard in determining the strength of Spirits, and the same are hereby prescribed and adopted accordingly.

[1249]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by section 25, and by other sections of the Dominion Lands Act, chapter 20, 7-8 Edward VII, that letters patent for Dominion Lands shall not issue to any person who is not a British subject by birth or by naturalization ; and

Whereas one Henri Phalempin, who was born in France, made homestead entry for the southwest $\frac{1}{4}$ of section 5, township 37, range 1, west of the 3rd Meridian on the 31st July, 1912, and the said entrant, who was a French reservist, rejoined his regiment immediately upon the commencement of the present war ; and

Whereas Mr. Phalempin made the usual application for the issue of letters patent for his homestead, on the 2nd November, 1916, and it appears from the evidence accompanying that application that he has fully complied with all the conditions of the homestead entry he made under the provisions in that behalf contained in The Dominion Lands Act, except the condition respecting his naturalization as a British subject, because of which the preparation of the letters patent for his homestead has been delayed ; and

Whereas, if Mr. Phalempin is called upon to comply with the provisions of The Naturalization Act, it will cause delay which is considered unnecessary under the circumstances of this case ; and

Whereas it may be impossible for any alien homesteader, or other entrant for Dominion Lands, who is on active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, to comply with the above mentioned condition of his entry until he has been released from such service ; and

Whereas it will be a hardship upon any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act, who is placed as Mr. Phalempin is, to be compelled to comply with the provisions before referred to, as it is considered that active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, is sufficient of itself to satisfy the purpose and intention of the provisions of the Dominion Lands Act in that respect,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the

Interior and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make the following Regulation and the same is hereby made and enacted accordingly:—

When any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act is on active service as a member of His Majesty's naval or military forces, or of the naval or military forces of any of His Majesty's allies in the present war, the provisions of the Dominion Lands Act forbidding the issue of letters patent to any person who is not a British subject by birth or naturalization shall not apply to such homesteader or entrant, and the letters patent for the lands may issue to him notwithstanding that such homesteader or entrant is not a British subject.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Vendredi, le 4e jour de mai 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 avril 1917, représentant que le 7 juin 1915, M. Allan Edward McDonald a obtenu l'inscription de homestead pour le quart sud-ouest de la section 4, township 79, rang 5, à l'ouest du 6e méridien ;

Le Ministre ajoute qu'un certificat médical des docteurs Wm. Gibson et W. T. Connell, de Kingston, Ont., daté le 12 mars 1917, déclare que M. McDonald souffre de paralysie générale qui l'empêche de retourner à Spirit-River, Alta., pour continuer ses travaux sur son homestead à cet endroit ;

Un autre certificat médical du docteur Shaw, de Spirit-River, Alberta, daté le 10 janvier 1917, déclare que M. McDonald souffre de paranoïe ;

Une lettre de M. Roderick McDonald, le père de l'inscrit, datée le 31 mars 1917, assure le Département de l'Intérieur qu'au meilleur de sa connaissance son fils avait résidé huit mois sur le homestead et avait presque complété ses autres obligations. Il est vétéran de la guerre sud-africaine et a offert ses services au début de la guerre actuelle, mais a été refusé comme étant physiquement impropre au service. Les derniers travaux sur le homestead seront complétés cet automne.

En vue de ce qui précède, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales, 1908*, l'inscrit soit exempté de toute autre obligation de résidence afin que la patente du terrain puisse être émise dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies. M. McDonald est sujet britannique.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

ATTENDU que le Département des affaires des sauvages a demandé la mise en réserve pour les sauvages de la bande des Piguïs, en rapport avec leur réserve de Fisher Bay, d'un terrain requis pour leur industrie de la pêche dans les townships 29 et 30, rang 2, à l'est du méridien principal, dans la province du Manitoba, comprenant une superficie totale de 975.90 acres.

Et attendu que le terrain en question est disponible pour les fins susdites d'après les archives du Département de l'Intérieur.

ATTENDU que par un arrêté en conseil du 30 janvier 1914, a été autorisée la concession à la bande des sauvages de Keescekoowenin d'un terrain de 100 acres d'étendue dans le quart nord-ouest de la section 15, township 19, rang 20, à l'ouest du 1er méridien, dans la réserve forestière de Riding-Mountain, en échange pour certains terrains compris dans la réserve

des sauvages n° 61A, qui sont affectés par les inondations, résultant de la construction d'une digue à l'embouchure du lac Clair, pour le développement de forces hydrauliques pour la ville de Minnedosa ;

Et attendu qu'il a été constaté que le terrain qui devait être concédé aux sauvages, ainsi que décrit dans le dit arrêté en conseil, ne comprend pas le terrain réellement requis par ces sauvages.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil de décréter par ces présentes que le dit arrêté en conseil du 30 janvier 1914 soit rescindé en tant qu'il concerne la description du terrain qui doit être cédé aux sauvages, et que le terrain ci-dessous décrit, de l'étendue de 100 acres, soit concédé au lieu de l'autre :

"Toute la partie de la section 15 du township 19, rang 20, à l'ouest du 1er méridien, comprise dans les limites suivantes, savoir : commençant à un point sur la borne ouest de la dite section 15, éloigné de 16 chaînes dans une direction nord de l'angle sud-ouest de la section ; de là franc est astronomiquement 35 chaînes ; de là franc nord astronomiquement 34 chaînes ; de là franc ouest astronomiquement 16 chaînes ; de là franc sud astronomiquement 10 chaînes, plus ou moins, jusqu'à la borne nord de la moitié sud de la dite section 15 ; de là vers l'ouest le long de la dite borne nord de la moitié sud de la dite section 15 jusqu'à l'angle nord-ouest du quart sud-ouest de la section 15, 19 chaînes, plus ou moins ; de là vers le sud le long de la borne ouest de la dite section 15, 24 chaînes, plus ou moins, jusqu'au point de départ, le tout contenant 100 acres.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'article 25 et autres articles de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, stipulant qu'aucune lettre patente de terres fédérales ne sera accordée à une personne qui n'est pas sujet britannique né ou naturalisé ; et,

Attendu que, le 31 juillet, 1912, un certain Henri Phalampin, né en France, a obtenu l'inscription de homestead du quart sud-ouest de la section 5, township 37, rang 1, à l'ouest du 3e méridien, qu'il était réserviste français et qu'il rejoignit son régiment au commencement de la guerre actuelle ;

Attendu que le 2 novembre 1916, M. Phalampin a demandé, de la manière ordinaire, les lettres patentes de son homestead et que, d'après les preuves dont il accompagne sa demande, il paraîtrait qu'il a rempli les conditions de son inscription conformément aux dispositions de la *Loi des terres fédérales*, sauf en ce qui concerne sa naturalisation comme sujet britannique, ce qui a été cause du délai apporté dans la préparation de ses lettres patentes ; et

Attendu que le fait d'exiger de M. Phalampin de se conformer aux dispositions de la *Loi de naturalisation* causerait un retard inutile dans les circonstances ; et

Attendu qu'il serait probablement impossible à tout inscrit de nationalité étrangère ou autre en service actif dans les cadres de la marine ou de l'armée de la Grande-Bretagne ou des armées de ses alliés de se conformer ainsi aux conditions de son inscription avant d'obtenir son congé ;

Attendu qu'il serait pénible pour le homesteader ou l'inscrit, en vertu des dispositions de la *Loi des terres fédérales*, qui se trouverait dans une position analogue à celle de M. Phalampin, de se voir forcé à se conformer aux dispositions de la dite loi, vu que le fait pour un inscrit de prendre du service actif dans la marine militaire ou l'armée de la Grande-Bretagne ou de ses alliés est en lui-même une raison suffisante aux yeux de la loi pour le relever de ses obligations d'inscrit,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre de l'Intérieur et sous l'empire des dispositions

de la *Loi des mesures de guerre de 1914*, de faire les règlements suivants, qui sont par ces présentes faits et décrétés en conséquence :

Dans le cas de tout inscrit ou autre preneur de terrain en vertu des dispositions de la *Loi des terres fédérales* qui prend du service actif dans la marine ou l'armée de la Grande-Bretagne ou de ses alliés dans la guerre actuelle, les dispositions de la *Loi des terres fédérales* limitant les privilèges des lettres patentes aux sujets britanniques nés ou naturalisés, ne s'appliqueront pas aux inscrits et autre preneurs décrits plus haut et les dites lettres patentes pourront leur être accordées nonobstant le fait qu'ils ne sont pas sujets britanniques.

Les articles 3, 4 et 5 des règlements établis par un arrêté en conseil du 5 mars 1917 (C.P. 572), sont par ces présentes rescindés, et les articles suivants leur sont substitués :—

"3. Nulle compagnie n'acquerra ou possédera les droits ou privilèges ci-dessus mentionnés si elle est étrangère et ennemie, ou si elle est enregistrée dans un pays étranger ennemi, ou si elle a son bureau principal dans tel pays, ou si le président de telle compagnie ou un des directeurs est sujet d'un pays étranger ennemi, ou si telle compagnie est sous le contrôle, soit directement ou indirectement, d'un étranger ennemi ou d'étrangers ennemis, ou d'une corporation étrangère ou de corporations étrangères ennemies.

affecter le caractère ou la direction de telle compagnie; et si, de l'avis du Ministre de l'Intérieur, le dit changement était contraire au principe essentiel que la dite compagnie soit et demeure une compagnie qui n'est ni d'origine ennemie ni sous le contrôle d'un ennemi, le Ministre de l'Intérieur peut refuser son consentement à tel changement, et en cas de refus de s'y conformer il peut déclarer que telle compagnie est une compagnie étrangère ennemie et révoqué les dits droits, pouvoirs et privilèges en vertu des dispositions du règlement suivant.

"5. Si une compagnie qui a acquis un droit, pouvoir ou privilèges quelconque ci-dessus mentionné tombe à certain moment sous le contrôle d'un ennemi étranger ou d'ennemis étrangers ou d'une corporation étrangère ennemie ou de corporations étrangères ennemies, ou si elle cède quelqu'un des droits, pouvoirs ou privilèges susdits sans le consentement écrit du Ministre de l'Intérieur, ou si le dit droit, pouvoir ou privilège a été acquis par erreur, fausse représentation ou fraude, le Ministre de l'Intérieur peut révoquer la concession de ce droit, pouvoir ou privilège, qui sera *ipso facto* révoquée, et tout argent ou tous honoraires payés à Sa Majesté seront *ipso facto* confisqués au profit de Sa Majesté.

Ottawa, 19 mai 1917.

AVIS est donné par le présent, en conformité du Code des Décrets concernant la Censure, en date du 17e jour de janvier 1917, adopté en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre, 1914*, que le Secrétaire d'Etat du Canada a déclaré qu'un livret "Brockway's Defence," publié sans nom d'auteur et d'éditeur, et qui a été le sujet d'une poursuite en cour par laquelle un nommé Isaac Bainbridge a été trouvé coupable de libelle séditionnaire pour avoir publié et fait circuler ce livret, contenait de la matière inadmissible, tel que le définit le Code des Décrets con-

cernant la Censure, et que la possession en Canada de toute édition ou exemplaire du dit "Brockway's Defence," publié ou qui sera publié en a été prohibée par un mandat du Secrétaire d'Etat du Canada en date du 19e jour de mai 1917; et que, tel que statué par le paragraphe 3 (1) du Décret III du dit Code des Décrets concernant la Censure, toute personne

coupable d'une contravention aux dits décrets est passible d'une amende n'excédant pas cinq mille dollars ou d'emprisonnement pour un terme quelconque n'excédant pas cinq ans ou de la dite amende et du dit emprisonnement.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

- | | |
|--|----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... | 100 00 |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... | 200 00 |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... | 100 00 |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel.... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. *Une compagnie de chemin de fer ou de canal*.—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. *Une compagnie de télégraphe ou de téléphone*.—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. *Une compagnie pour la construction de travaux quelconques* de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. *Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques*.—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en paver la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

CHANCERY OF THE ROYAL VICTORIAN ORDER,

ST. JAMES'S PALACE, S W.,
17th March, 1917.

THE KING has been graciously pleased to make the following appointment to the Royal Victoria Order:—

To be a Member of the Fourth Class.

Major Arthur Abercromby Duff, C.I.E. (3rd Gordon Highlanders), late Aide-de-Camp to Field Marshal His Royal Highness the Duke of Connaught. 49-1

ORDERS IN COUNCIL.

[1207]

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 4th day of May, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 27th April, 1917, from the Minister of the Interior, stating that Mr. Allan Edward McDonald obtained homestead entry for the south-west quarter of Section 4, Township 79, Range 5, west of the 6th Meridian, on the 7th June, 1915.

The Minister further states that a Medical Certificate furnished by Doctors Wm Gibson and W. T. Connell of Kingston, Ontario, dated 12th March, 1917, sets out that Mr. McDonald is suffering from general paresis, a condition that will prevent his return to Spirit River, Alberta, to undertake the further occupation and development of his homestead situated at that place.

Another Medical certificate furnished by Doctor Shaw of Spirit River, Alberta, dated 10th January, 1917, sets out that Mr. McDonald is suffering from Paranoia.

A letter from Mr. Roderick McDonald, the entrant's father, dated 31st March, 1917, assures the Department of the Interior that his son had, to the best of his knowledge, resided on the homestead for eight months and had nearly completed the other duties. He is a Veteran of the South African War and volunteered for service at the outbreak of the present war but was rejected as medically unfit. The necessary work will be completed on the homestead this fall.

The Minister recommends, in view of the foregoing, that, under the provisions of subsection 2 of Section 20, of The Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to him upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled. Mr. McDonald is a British subject.

The Committee, concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

46-4 Clerk of the Privy Council.

[1230]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 4th day of May, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS the Alcohol Tables compiled by Otto Hehner, F.C.S., which have been used since 1884 for the purpose of ascertaining the strength of spirits from the specific gravity, have been found inaccurate to a certain extent and, in recognition to this fact, Sir Edward Thorpe, late principal of the Government Laboratories at London, England, has compiled a set of Alcoholometric Tables, based upon the most recent and exact data obtainable, which have been adopted by the Board of Customs and Excise, London, England,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Inland Revenue and under the provisions of section 140 of The Inland Revenue Act, is pleased to order that the Spirit Tables compiled by Sir Edward Thorpe, of London, England, shall be adopted by the Government of Canada as the Standard in determining the strength of Spirits, and the same are hereby prescribed and adopted accordingly.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 21st day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 8th May, 1917, from the Minister of the Interior, referring to an Order in Council, dated the 7th December, 1914 (P.C. No. 1239), which among other things purported to authorize the sale of certain water-power lands on the Pinawa channel of the Winnipeg River to the Winnipeg Electric

Railway Company, upon which lands they had erected a large hydro-electric power plant from which power is being delivered in the City of Winnipeg.

The Minister observes that subsequent to the passage of this Order in Council, the Department of Justice ruled that, in view of section 6, chapter 27, 4 and 5 George V, amending section 35 of The Dominion Lands Act which provides that lands valuable for water-powers may not be sold, homesteaded or conveyed in fee, but may only be leased, the sale of these lands to the Winnipeg Electric Railway Company could not legally be carried out, the Order in Council authorizing such a disposition of the land being *ultra vires*.

The Minister states that on account of this decision by the Department of Justice, it has been necessary to again enter into negotiations with the company with the object of arriving at a mutually satisfactory arrangement respecting the disposition of these lands upon which the company's works were situated, and to hold a number of conferences between the representatives of the Winnipeg Electric Railway Company and the officials of the Department of the Interior in an effort to reach a satisfactory agreement ; and

That, as a result of these conferences, an agreement has been reached whereby the company have consented to accept a lease for the said lands in lieu of title in fee simple.

The Minister therefore recommends that he be authorized to grant a lease in favour of the Winnipeg Electric Railway Company for the lands set out in schedule A, hereto attached, upon which the company have erected their works, such lease to be for a period of twenty-one years, renewable for a further period of twenty-one years, and so on in perpetuity ; such lease to run concurrently with a water license which was issued the said company, bearing date the second of August, 1914, and to provide that in the event of the cancellation of such water license the lease shall *ipso facto* cease and determine without re-entry or any other act or legal proceeding whatever and without further compensation to the lessee than that which is paid in respect of the cancellation, termination or voidance of the said water license ; that the company shall be charged an annual rental of fifty cents per acre during the first period of the lease, such rental to be subject to revision by the Governor in Council at the expiration of each twenty-one year renewal period ; and to further provide that, in case of the non-payment of the rentals set forth therein, or the non-fulfilment of any of the conditions therein provided, the same shall be subject to cancellation by the Exchequer Court on application of the Crown, which court shall determine the compensation, if any be paid, according to the provisions of the regulations of the Dominion Government then in force for the administering of water-powers within its control.

The Committee concur in the above recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 21st day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report dated 14th May, 1917, from the Minister of the Interior, stating that it has been represented that Mr. Harold Wills, who entered for the north half of Section 22, Township 25, Range 10, west of the 4th Meridian, under a South African Volunteer Certificate, on the 21st June, 1910, became permanently disabled through illness, after obtaining his entry, and is unable to complete his residence duties in pursuance of the provisions of The Dominion Lands Act of 1908 ;

The Minister observes that Mr. Wills states that he has completed two terms of residence of six months each, but has not been able to finish the required third term ;

That Mr. Wills has forwarded a medical certificate, setting out that he is suffering from dilatation of the heart, and that under the circumstances it would not be possible for him to complete his settlement duties, and

That a further certificate has been submitted to the effect that his illness is of a permanent nature,—

The Minister, therefore, recommends that Mr. Wills be relieved from the performance of any further residence duties under the provisions of clause 2, section 20, of the Act, and that patent be issued to Mr. Wills for the half section above mentioned upon evidence being submitted that the other conditions of the law have been complied with.

The Committee concur in the foregoing recommendation and submit the same for approval.

(2) When satisfied that the intended departure from Canada of any male person between the ages of 18 and 45 years, inclusive, is not with the object, intent or purpose of avoiding any liability to render, or of being called upon to render, within Canada or overseas any service, whether of a military character or other-

2. Any person who shall aid, abet or advise the commission of any offence against Regulation No. 1 of this order, shall be guilty of an offence against this order, punishable in like manner and to the same extent as in and by regulation No. 1 of this order provided.

3. The general operation of these regulations and the enforcement thereof are committed to the Minister of the Interior, and subject to his directions, for the purpose of such enforcement all Canadian Immigration Inspectors shall have and may exercise within Canada, without liability to any civil or criminal responsibility by reason of anything done in good faith while purporting to act under these regulations, the following rights and powers :—

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 16th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS the law, with reference to the military punishment known as "detention" requires that sentences be carried out in "detention barracks;"

And whereas, under the provisions of The Militia Act, the Governor in Council has authority specially to appoint places in which a sentence of imprisonment may be carried out, instead of a gaol, prison or penitentiary, yet there is no provision in that Act to enable the Governor in Council to appoint places for carrying out sentences of detention;

And whereas, in the interests of discipline, it is desirable that such places should be appointed, and moreover, it is desirable that regulations should be made for the governing of such places and their inmates;

Therefor the Governor General in Council, under and in virtue of the authority contained in section 6 of The War Measures Act, is pleased to order and declare and doth hereby order and declare as follows:—

1. That such buildings and parts of buildings as the Minister of Militia and Defence may from time to time designate in Militia Orders, shall be detention barracks for the detention of persons sentenced to detention by Courts Martial, or awarded detention by commanding officers.

2. That the regulations for governing, managing and regulating such detention barracks shall be such as may be from time to time published in General Orders, and that such regulations may contain provisions for punishing, by personal correction, restraint or otherwise, all offences committed by men while undergoing detention; so, however, that such regulations shall neither authorize corporal punishment to be inflicted for any offence, nor render the detention more severe than it is under the law in force in the common gaols in the Province in which the detention barrack in question is situate.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS it is provided by section 25, and by other sections of the Dominion Lands Act, chapter 20, 7-8 Edward VII, that letters patent for Dominion Lands shall not issue to any person who is not a British subject by birth or by naturalization; and

Whereas one Henri Phalempin, who was born in France, made homestead entry for the southwest $\frac{1}{4}$ of section 5, township 37, range 1, west of the 3rd Meridian on the 31st July, 1912, and the said entrant, who was a French reservist, rejoined his regiment immediately upon the commencement of the present war; and

Whereas Mr. Phalempin made the usual application for the issue of letters patent for his homestead, on the 2nd November, 1916, and it appears from the evidence accompanying that application that he has fully complied with all the conditions of the homestead entry he made under the provisions in that behalf contained in The Dominion Lands Act, except the condition respecting his naturalization as a British subject, because of which the preparation of the letters patent for his homestead has been delayed; and

Whereas, if Mr. Phalempin is called upon to comply with the provisions of The Naturalization Act, it will cause delay which is considered unnecessary under the circumstances of this case; and

Whereas it may be impossible for any alien homesteader, or other entrant for Dominion Lands, who is on active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, to comply with the above mentioned condition of his entry until he has been released from such service; and

Whereas it will be a hardship upon any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act, who is placed as Mr. Phalempin is, to be compelled to comply with the provisions before referred to, as it is considered that active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, is sufficient of itself to satisfy the purpose and intention of the provisions of the Dominion Lands Act in that respect,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make the following Regulation and the same is hereby made and enacted accordingly:—

When any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act is on active service as a member of His Majesty's naval or military forces, or of the naval or military forces of any of His Majesty's allies in the present war, the provisions of the Dominion Lands Act forbidding the issue of letters patent to any person who is not a British subject by birth or naturalization shall not apply to such homesteader or entrant, and the letters patent for the lands may issue to him notwithstanding that such homesteader or entrant is not a British subject.

Clerk of the Privy Council.

Tuesday, the 8th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

HIS Excellency the Governor General in Council, under and in virtue of the provisions of The War Measures Act, 1914, is pleased to order as follows:

Clauses 3, 4 and 5 of the Regulations established by Order in Council of the 5th of March, 1917, (P. C. 572), are hereby rescinded and the following Clauses are hereby made and enacted in lieu thereof:

"3. No company shall acquire or hold any of the rights, powers or benefits hereinbefore referred to if such company be an alien enemy company, or registered in an alien enemy country, or having its principal place of business within such country, or if the chairman of such company or any of the directors are subjects of an alien enemy country, or if such company is controlled, either directly or indirectly, by an alien enemy or alien enemies, or by an alien enemy corporation or alien enemy corporations.

"4. Any alteration in the Memorandum of Articles of Association, or in the constitution, or in the laws of any company holding any rights, powers or benefits hereinafter referred to shall be reported by the proper officer of the company to the Minister of the Interior, and two months previous notice in writing shall be given to the Minister of the Interior of the intention to make any alter-

ation which might conceivably, either directly or indirectly, affect the character or control of any such company, and if, in the opinion of the Minister of the Interior, the said alteration shall be contrary to the cardinal principle that the said company shall be and remain a company not of alien enemy origin or control, the Minister of the Interior may refuse his consent to such alteration, and if his refusal is not obeyed, may declare such company to be an alien enemy company and may cancel the said rights, powers and benefits under the provisions of the next following regulation.

5. If any company which has acquired any right, power or benefit hereinbefore referred to shall, at any time, become subject to the control of an alien enemy, or alien enemies, or an alien enemy corporation or corporations, or shall assign any of the rights, powers or benefits aforesaid, without the consent in writing of the Minister of the Interior being first had and obtained, or if the said right, power and benefit has been acquired through error, misrepresentation or fraud, the Minister of the Interior may cancel the grant of such right, power or benefit and thereupon the same shall *ipso facto* be cancelled and any moneys or fees paid to or deposited with His Majesty shall be *ipso facto* forfeited to His Majesty.

HEADQUARTERS,

OTTAWA, 1st May, 1917.

G.O. 47.

INSTRUCTIONS, REGULATIONS, ETC.

FINANCIAL INSTRUCTIONS AND ALLOWANCES FOR THE CANADIAN EXPEDITIONARY FORCE, 1916.—
AMENDMENT.

Article 126 is hereby cancelled and the following substituted therefor:—

126. All sums due to the public and chargeable to Non-commissioned officers and men, such as barrack damages, fines, mulct pay, forfeitures, etc., are to be recovered by placing them in the "other charges" column of the Pay-list, and a remark is to be entered in the "remarks" column, indicating the nature of each stoppage.

In the cases of losses of articles of clothing or regimental necessities the Officer Commanding the Company, etc., is to prepare an indent in quintuplicate on M.F.C. 512, showing the name of each man for whom issues are required to replace deficiencies, and the articles required to be issued, and the Officer is to send all the copies of the indent to the Quartermaster of the Unit on a date to be arranged by its Commanding Officer.

The value of the articles issued to each individual is to be inserted by the Quartermaster, and each man is to sign each copy of the indent for the articles issued to him.

Four copies of the indent are then to be forwarded to the Senior Ordnance Officer, and he is to certify on the back of each copy that the prices charged are in accordance with the priced list of stores, clothing and necessities, and is to return all four copies to the Unit without delay.

The four copies thus certified will then be sent to the Regimental Paymaster not later than the 23rd of the month. Immediately on receipt of the copies the Regimental Paymaster is to charge under "other charges" the total amount against the man concerned, and is then to certify on the back of each copy that this has been done.

The said four copies of indent are then to be forwarded with the pay-list to the District Inspector of Accounts and Records. After the District Inspector has audited the Pay-list he is to certify on the back of each copy of indent that the amount charged has been credited to the public and is to return two copies of the indent to the Unit without delay.

If articles are required to be replaced the issue from Ordnance will be a free one, to complete establishment, to replace a similar quantity issued on repayment by the Unit.

Kit inspections should be held not later than the 15th of each month to enable indents, etc., to be completed before the end of the month.

In the cases of charges for loss of equipment, or charges as assessed for repairs, M.F.D. 871 will be used, and the same procedure followed with this form, to credit the amount to the public as with M.F.C. 512 for issue of clothing and necessities on repayment. If these charges have not been recovered before the Unit proceeds overseas the cash debit voucher will be forwarded to the Chief Paymaster, C.E.F., England, for collection, and an additional copy of the voucher will be required to be forwarded to Militia Headquarters certified to that effect for record.

The following extracts from "Defence of Canada Order, 1917", are published for the information of mariners:—

"22. The Master of a ship, or any other person shall obey and observe all orders relating to the navigation or mooring of ships in a harbour or the approaches thereto, or any signals from or any orders, whether verbal or written, of the competent naval or military authority of the harbour, or any examining officer, or other officer acting under his authority, relating to such navigation or mooring.

23. The Master of a ship, her wireless operator, or any other person must obey and observe all orders and regulations, whether written or verbal; of the competent naval or military authority of the harbour, or any examining officer, or other officer acting under his authority, relating to the working, or the fittings of the whole or any part of the wireless installation in such ship.

The competent naval or military authority of the harbour, or any examining officer, or the officer acting under his authority, may require the officer or person in charge of the wireless installation of a ship to remain on board the ship on her arrival in harbour until the officer appointed to inspect wireless telegraph installations is satisfied that orders or regulations concerning wireless telegraph installations have been complied with.

24. The competent naval or military authority may make orders for restricting or controlling the use of boats in any harbour or the approaches thereto.

25. Every vessel, being a vessel registered in Canada, and every vessel within the territorial waters of the Dominion of Canada, shall comply with such orders as to the navigation of vessels as may be issued by the Department of the Naval Service, and shall obey any orders given, whether by way of signal or otherwise, by any officer in command of any of His Majesty's or His Majesty's Canadian ships, or by any naval or military officer engaged in the defence of the coast.

If any vessel fails to comply with any such order or to obey any such orders, the Master or other person in command or charge of the vessel shall be guilty of an offence under this order, and if the vessel is at any time subsequently found at a port of, or within the territorial waters adjacent to, the Dominion of Canada, the competent naval or military authority may cause the vessel to be seized and detained until it has been established to the satisfaction of such authority that the vessel has a right to proceed.

This order shall not apply to a vessel not being a vessel registered in Canada, where the non-compliance with the orders or disobedience to the orders takes place on the high seas outside the territorial waters adjacent to the Dominion of Canada.

26. The Minister of the Naval Service may by order prohibit any vessel, or any vessel of any class or description specified in the order, from entering any area which he may consider it is necessary to keep clear of vessels, or vessels of that class or description, in the interests of the public safety or the defence of the Empire, and if any vessel, or any vessel of that specified class or description enters any such area, the Master or other person in command or charge of the vessel shall be guilty of an offence against this order, and if the vessel is at any time subsequently found at a port in or within the territorial waters adjacent to the Dominion of Canada, the competent naval or military authority may cause the vessel to be seized and detained until it has been established to the satisfaction of such authority that the vessel has a right to proceed.

This order shall not apply to a vessel not being a British vessel so far as the area specified in the order extends beyond the territorial waters adjacent to the Dominion of Canada.

27. If any vessel causes any injury by collision or otherwise to any ship belonging to or engaged in the service of His Majesty or to any person on board such ship, or is so navigated or managed as to cause danger of collision with any ship belonging to or engaged in the service of His Majesty, the Master or other person in charge of the vessel shall be guilty of an offence under this order, unless it is shown that such injury or danger of collision was not caused or contributed to by any failure on his part to keep or cause to be kept a proper lookout, or to observe or cause to be observed any of the orders for preventing collisions at sea or any orders relating to the navigation or mooring of ships in a harbour or the approaches thereto, or any of these orders or to take or cause to be taken any precaution required by the ordinary practice of seamen or by the special circumstances of the case".

"51 Any person contravening any of the provisions of this Order shall be liable to a penalty not exceeding Five Thousand Dollars or imprisonment for any term not exceeding five years or to both fine and imprisonment; any such penalty may be recovered or enforced by summary proceedings and conviction under the provisions of Part 15 of the Criminal Code".

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

ARRÊTÉS EN CONSEIL.

[1207]

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 4e jour de mai 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 27 avril 1917, représentant que le 7 juin 1915, M. Allan Edward McDonald a obtenu l'inscription de homestead pour le quart sud-ouest de la section 4, township 79, rang 5, à l'ouest du 6e méridien ;

Le Ministre ajoute qu'un certificat médical des docteurs Wm. Gibson et W. T. Connell, de Kingston, Ont., daté le 12 mars 1917, déclare que M. McDonald souffre de paralysie générale qui l'empêche de retourner à Spirit-River, Alta., pour continuer ses travaux sur son homestead à cet endroit ;

Un autre certificat médical du docteur Shaw, de Spirit-River, Alberta, daté le 10 janvier 1917, déclare que M. McDonald souffre de paranoïe ;

Une lettre de M. Roderick McDonald, le père de l'inscrit, datée le 31 mars 1917, assure le Département de l'Intérieur qu'au meilleur de sa connaissance son fils avait résidé huit mois sur le homestead et avait presque complété ses autres obligations. Il est vétéran de la guerre sud-africaine et a offert ses services au début de la guerre actuelle, mais a été refusé comme étant physiquement impropre au service. Les derniers travaux sur le homestead seront complétés cet automne.

En vue de ce qui précède, le Ministre recommande qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales, 1908*, l'inscrit soit exempté de toute autre obligation de résidence afin que la patente du terrain puisse être émise dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies. M. McDonald est sujet britannique.

Le comité agréé cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL
EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 6 de la *Loi des mesures de guerre* et de tout autre pouvoir qui lui est conféré, d'établir par ces présentes les règlements suivants concernant le départ du Canada de personnes du sexe masculin qui sont tenues ou aptes au service national d'un caractère militaire ou autre :

1. (1) Toute personne du sexe masculin résidant ordinairement au Canada qui

(a) est âgée de 18 ans ou plus, mais non de plus de 45 ans, et qui

(b) clandestinement ou autrement et dans un but ou une intention quelconque quitte ou tente de quitter le Canada sans un permis écrit d'un inspecteur d'immigration canadien ou d'une autre personne dûment désignée par le ministre de l'Intérieur pour accorder telle permission, est coupable d'infraction du présent règlement et passible d'une amende n'excédant pas deux mille cinq cents dollars ou d'emprisonnement pour une période n'excédant pas cinq ans, ou des deux peines d'amende et d'emprisonnement.

(2) Lorsqu'il est convaincu que le départ projeté du Canada d'une personne du sexe masculin âgée de 18 à 45 ans, inclusivement, n'est pas dans le but ou l'intention d'éviter l'obligation de rendre ou l'appel de ren-

dre, au Canada ou outre mer, un service quelconque, de nature militaire ou autre, qui pourrait contribuer au succès de Sa Majesté et de ses alliés dans la guerre actuelle, un inspecteur d'immigration canadien ou autre fonctionnaire dûment autorisé par le ministre de l'Intérieur pour accorder telle permission, peut accorder à telle personne une permission écrite qui sera en substance en la forme de la cédule "A" ou de la cédule "B" du présent décret, et dans le cas où un inspecteur d'immigration canadien ou autre fonctionnaire dûment désigné par le ministre de l'Intérieur refuse d'accorder la permission de quitter le Canada, la personne ainsi refusée a le droit d'appel au ministre de l'Intérieur.

(3) Toute personne à qui a été accordé un tel permis de quitter le Canada le conservera toujours soigneusement sur sa personne, et au cas où le permis ne serait pas présenté à la demande d'un inspecteur d'immigration ou en cour de justice dans des procédures concernant la concession d'un tel permis, il sera considéré *prima facie* pour toutes fins, du fait que le permis n'a pas été présenté, que nulle telle permission écrite n'a été accordée.

2. Quiconque aide, favorise ou conseille la commission d'une infraction du règlement n° 1 du présent décret est coupable de contravention à ce décret et est passible de la même manière et au même point que le prescrit le règlement n° 1 du présent décret.

3. L'application générale des présents règlements et leur mise en vigueur sont confiées au ministre de l'Intérieur, et, subordonnement à ses instructions à cet effet, tous les inspecteurs d'immigration canadiens ont et exercent au Canada, sans responsabilité au civil ou au criminel pour ce qu'ils peuvent avoir fait de bonne foi en agissant sous l'empire des présents règlements, les droits et pouvoirs suivants :

(a) Pénétrer dans tout navire, bateau, convoi, wagon, voiture ou tout véhicule pour le transport des voyageurs dans le Canada mais à destination étrangère, et examiner oralement tout voyageur qui s'y trouve.

(b) Retenir tout navire, bateau, convoi, wagon, voiture ou véhicule pour le transport des voyageurs dans le Canada mais à destination étrangère jusqu'à ce que soit terminé tout examen nécessaire par tel inspecteur des voyageurs qui s'y trouvent.

(c) Faire, ordonner ou autoriser la mise à terre de tout voyageur dans tout navire, bateau, convoi, wagon, voiture ou véhicule pour le transport des voyageurs dans le Canada mais à destination étrangère, ou l'arrêt des piétons sur tout pont, quai, chemin ou autre avenue de sortie du Canada.

(d) Suspendre ou arrêter, ou faire suspendre ou arrêter, pendant tout le temps requis pour compléter un examen nécessaire des passagers et piétons, tout trafic sur un pont ou ses approches, un quai, une gare, un chemin ou autre moyen ou avenue de sortie du Canada.

(e) Requérir de toutes personnes présentes, quand tel inspecteur a besoin de leur aide, tout secours nécessaire pour l'examen des voyageurs sur un navire, bateau, convoi, wagon, voiture ou autre véhicule pour le transport des voyageurs dans le Canada mais à destination étrangère, ou l'examen de piétons sur un pont ou ses approches, un quai, un chemin ou une autre avenue de sortie du Canada.

(f) Arrêter sans mandat d'arrestation et détenir sous une garde quelconque, dans un endroit ou des endroits appropriés du Canada, toute personne qui enfreint le présent décret en attendant que le ministre de l'Intérieur (auquel un rapport de chaque arrestation et de la détention sera immédiatement adressé) décide de quelle manière il en sera disposé.

4. Toute personne qui refuse à un inspecteur d'immigration l'accès à un navire, bateau, convoi, wagon, voiture ou autre véhicule servant de moyen de transport aux voyageurs en Canada mais à destination de l'étranger pour y examiner un voyageur quelconque, ou

(b) de répondre sincèrement à toute question qui lui est adressée par l'inspecteur d'immigration quant à son identité, sa demeure, son âge, son emploi, son intention de quitter le Canada, ou le but qu'il se propose en quittant le Canada, ou

(c) de rester au Canada avec tout navire, bateau, convoi, wagon, voiture ou véhicule transportant des voyageurs qui sont sous sa charge ou son contrôle tant que l'inspecteur d'immigration n'a pas terminé l'examen des voyageurs qui s'y trouvent, ou

(d) de quitter tout navire, bateau, convoi, wagon, voiture ou autre véhicule transportant des voyageurs en Canada mais à destination de l'étranger, ou de quitter tout pont, quai, chemin ou autre avenue de sortie du Canada et de se rendre où l'indique un inspecteur d'immigration, ou

(e) d'obéir à un ordre de l'inspecteur d'immigration de suspendre la circulation des voitures ou des piétons sur un pont ou ses approches, un quai, une gare, un chemin ou autre avenue de sortie du Canada, afin que l'inspecteur d'immigration puisse terminer l'examen nécessaire des voyageurs ou des piétons, ou

(f) d'aider lorsqu'il est présent et en est requis, tout inspecteur d'immigration dans l'examen de tous voyageurs par navire, bateau, convoi, wagon, voiture ou autre véhicule pour le transport des voyageurs en Canada mais à destination de l'étranger, ou de piétons sur un pont ou ses approches, un quai, chemin ou autre avenue de sortie du Canada ; est coupable de délit et passible sur conviction sommaire d'une amende n'excédant pas \$1,000 ou d'emprisonnement pour une période n'excédant pas deux ans, ou des deux peines de l'amende et de l'emprisonnement.

5. Rien dans le présent décret ne sera censé s'appliquer à un membre quelconque de :

(a) les forces navales ou militaires du Canada quand elles sont en service naval ou militaire.

(b) l'équipage d'un navire, bac ou bateau, le personnel d'un tramway ou train de chemin de fer d'une compagnie ou système quelconque dont les navires, les bateaux ou les convois circulent ordinairement entre

un endroit en Canada et un autre endroit hors du Canada, ou qui sortent du Canada par un endroit quelconque lorsqu'il est réellement membre de cet équipage ou de ce personnel.

(c) l'équipage d'un navire ou d'un bateau qui est ordinairement engagé dans le cabotage au Canada ou d'un navire de pêche canadien qui se rend aux bancs de pêche quand, dans un cas ou l'autre, il fait réellement partie de cet équipage.

HÔTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 15^e jour de mai 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu qu'il est jugé opportun de changer la classification de ceux qui ont droit aux insignes de guerre et d'établir de nouveaux règlements en ce qui les concerne.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Milice et de la Défense et en vertu des dispositions de la Loi des mesures de guerre de 1914, d'adopter par ces présentes la classification ci-dessous contenue en remplacement des règlements établis par l'arrêté en conseil du 27 février 1917, (C.P. 275), et les dits règlements sont par ces présentes établis en conséquence :

CLASSIFICATION.

1. Les quatre classes suivantes, conformément aux conditions ci-dessous mentionnées, ont droit à des insignes de guerre pourvu qu'à nulle personne ne soit décerné plus d'un insigne.

A. Membres du corps expéditionnaire canadien qui ont servi dans la présente guerre en Angleterre ou au front, et qui, dans le cas d'officiers, sont en congé honorable, ou ont remis leur commission dans le corps expéditionnaire canadien, ou qui, dans le cas des soldats, ont été honorablement réformés pour raison d'âge, de blessures ou de maladie qui les rendaient permanemment inaptes à tout service militaire, pourvu que leurs demandes soient dûment approuvées.

B. Membres du corps expéditionnaire canadien non compris dans la classe "A" qui ont servi dans la présente guerre et qui, dans le cas d'officiers, sont en congé honorable ou ont remis leur commission dans le corps expéditionnaire canadien, ou qui, dans le cas des soldats, ont été honorablement réformés pour raison d'âge, de blessures ou de maladie qui les rendaient permanemment inaptes à tout service militaire, pourvu que leurs réclamations soient dûment approuvées.

C. Ceux qui se sont offerts pour le service actif dans le corps expéditionnaire canadien et ont été refusés comme étant physiquement inaptes au service, pourvu qu'aucun insigne ne soit décerné à quiconque a été refusé à cause d'invalidité temporaire ou qui est évidemment inapte au service dans le corps expéditionnaire canadien.

D. Ceux qui se sont offerts pour le service actif outre-mer, mais qui ont été refusés parce que leurs services valent plus pour l'Etat dans l'emploi qu'ils occupent qu'ils ne vaudraient dans le service actif outre-mer.

Restriction. Ne sera décerné d'insigne de guerre dans les classes "A" et "B" à nul qui a accepté son congé parce que sa solde était suspendue, s'il est encore physiquement apte au service outre-mer.

FORME DES INSIGNES.

Insigne de la classe "A". L'insigne en argent est décerné par les autorités impériales.

Insigne de la classe "B". Bouton de métal avec queue et revers; au centre du bouton une couronne Tudor d'émail rouge à l'intérieur; au-dessous le mot "Canada"; dans un cercle entourant la couronne les mots "*Honourable Service*"; sous la couronne un bouquet de feuilles d'érable; espace entre le cercle émaillé blanc; le revers soudé au bouton; espace sur le revers pour un numéro et les mots suivants: "*Penalty for misuse Five Hundred Dollars (\$5,000) or six (6) months.*"

Insigne de la classe "C". Bouton de métal avec queue et revers; au centre du bouton les armes du Canada sur un fond d'émail rouge; dans un cercle autour des armes du Canada les mots "*Honourably Exempt*"; au sommet du cercle une couronne Tudor; à la base dans un enroulement le mot "Canada"; même revers que pour la classe "B".

Insigne de la classe "D". Boutons de métal avec queue et revers; au centre du bouton, sur un tronc d'arbre un castor sur fond d'émail bleu; dans un cercle autour du castor les mots "*Honourably Exempt*"; au sommet du cercle une couronne Tudor; à la base dans un enroulement le mot "Canada"; même revers que pour la classe "B".

RÈGLEMENTS.

1. Tous les insignes ainsi approuvés pour les classes A, B et C seront distribués en la manière que l'ordonnera le Ministre des forces d'outre-mer du Canada et, en Canada, ainsi que le prescrira le Ministre de la Milice et de la Défense.

2. Les insignes de la classe "D" seront distribués ainsi que le prescrira le directeur général du service national.

3. Toute demande doit être faite sur une formule fournie à cette fin et contenant les détails concernant le requérant et la nature de la demande, accompagnée de telle preuve que peuvent exiger de temps à autre les autorités qui distribuent les insignes.

4. A moins qu'il ne soit autrement prescrit, cette preuve peut se faire comme suit :

Classe "A". En présentant un certificat de congé et, à demande, en prouvant autrement que les conditions exigées ont été remplies.

Classe "B". En présentant un certificat de congé et, à demande, en prouvant autrement que les conditions exigées ont été remplies.

Classe "C". En présentant un certificat médical obtenu lors de la demande, dûment signé par un bureau médical ou un officier du service médical autorisé par le commandant d'un district militaire.

Classe "D". En établissant la preuve que peut prescrire le Directeur général du Service national.

5. Chaque insigne ainsi décerné portera un numéro matricule comme moyen d'identification.

6. Pour chaque classe sera tenu un registre dans lequel sera inscrit le numéro de l'insigne, la raison qui l'a fait décerner et la date où il l'a été, ainsi que le signalement de la personne qui l'a reçu.

7. A chacun qui reçoit un insigne sera donné un certificat signé par l'autorité qui décerne l'insigne, contenant les mêmes renseignements et détails qui sont inscrits au registre susdit.

8. Toute personne à laquelle a été décerné un insigne doit en tout temps, lorsqu'elle porte l'insigne ou l'a en sa possession, avoir en même temps le certificat, et, à la demande d'un officier, d'un constable ou agent de la paix, présenter ce certificat.

9. Personne autre que celui à qui a été dûment décerné l'insigne ne portera d'insigne ainsi approuvé ou d'autre insigne quelconque lui ressemblant tellement qu'il pourrait servir à déception.

10. Quiconque fait de fausses représentations ou tente illégalement ou frauduleusement d'obtenir un tel insigne ou certificat, ou quiconque est fauteur dans de telles représentations, est coupable de délit et passible de l'amende prescrite à l'article 14 des présentes.

11. Personne sans autorité légale ne donnera de tel insigne à quiconque n'est pas autorisé à le porter.

12. Au cas où quelqu'un perdrait son insigne ou son certificat, il en fera immédiatement rapport aux autorités qui lui ont décerné l'insigne et qui, à leur discrétion, pourront en accorder un autre.

13. Personne ne fabriquera, vendra, achètera ou portera d'insignes autres que ceux qui sont autorisés par les présentes et qui sembleraient indiquer qu'une personne quelconque appartient aux quatre classes mentionnées à l'article 1 du présent décret.

14. Quiconque viole ou enfreint une disposition des présents règlements est passible sur conviction sommaire sous l'empire des dispositions de la partie XV du Code Criminel d'une amende n'excédant pas cinq cents dollars (\$500.00) ou d'emprisonnement pour une période n'excédant pas six (6) mois.

15. Dans les poursuites intentées contre une personne quelconque pour le port illégal des insignes approuvés par ces présentes, la présentation du certificat mentionné à l'article 7 sera preuve *prima facie* que l'accusé a le droit de porter ledit insigne, mais en l'absence de tel certificat la preuve incombe à l'accusé.

16. Rien dans les présents règlements ne sera censé s'appliquer aux insignes antérieurement décernés ou qui peuvent l'être à l'avenir par le Fonds Patriotique canadien pour service au front, sauf que toute personne portant cet insigne sans y avoir droit sera passible de l'amende prescrite à l'article 14.

17. Le Gouverneur en conseil peut de temps à autre établir d'autres règlements pour l'application du présent arrêté en conseil.

Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

ATTENDU que demande a été faite pour l'église dite "Church of God", de Edmonton, dans la province d'Alberta, de la concession pour les fins d'une église et d'un cimetière de dix acres de terrains compris dans le quart nord-ouest de la subdivision légale 15 de la section 19, township 58, rang 27, à l'ouest du 4e méridien, dans la dite province d'Alberta.

Et attendu que le Ministre de l'Intérieur est d'avis que cette demande soit accordée, le terrain en question étant disponible d'après les archives du Département de l'Intérieur.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de mettre en réserve et d'affecter aux fins d'une église et d'un cimetière dix acres de terrain compris dans le quart nord-ouest de la subdivision légale 15 de la section 19, township 58, rang 27, à l'ouest du 4e méridien, dans la dite province d'Alberta, et d'en autoriser la concession à l'église dite "Church of God", d'Edmonton, pour les dites fins.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que l'article 25 et autres articles de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, stipulant qu'aucune lettre patente de terres fédérales ne sera accordée à une personne qui n'est pas sujet britannique né ou naturalisé ; et,

Attendu que, le 31 juillet, 1912, un certain Henri Phalampin, né en France, a obtenu l'inscription de homestead du quart sud-ouest de la section 5, township 37, rang 1, à l'ouest du 3e méridien, qu'il était réserviste français et qu'il rejoignit son régiment au commencement de la guerre actuelle ;

Attendu que le 2 novembre 1916, M. Phalampin a demandé, de la manière ordinaire, les lettres patentes de son homestead et que, d'après les preuves dont il accompagne sa demande, il paraîtrait qu'il a rempli les conditions de son inscription conformément aux dispositions de la *Loi des terres fédérales*, sauf en ce qui concerne sa naturalisation comme sujet britannique, ce qui a été cause du délai apporté dans la préparation de ses lettres patentes ; et

Attendu que le fait d'exiger de M. Phalampin de se conformer aux dispositions de la *Loi de naturalisation* causerait un retard inutile dans les circonstances ; et

Attendu qu'il serait probablement impossible à tout inscrit de nationalité étrangère ou autre en service actif dans les cadres de la marine ou de l'armée de la Grande-Bretagne ou des armées de ses alliés de se conformer ainsi aux conditions de son inscription avant d'obtenir son congé ;

Attendu qu'il serait pénible pour le homesteader ou l'inscrit, en vertu des dispositions de la *Loi des terres fédérales*, qui se trouverait dans une position analogue à celle de M. Phalampin, de se voir forcé à se conformer aux dispositions de la dite loi, vu que le fait pour un inscrit de prendre du service actif dans la marine militaire ou l'armée de la Grande-Bretagne ou de ses alliés est en lui-même une raison suffisante aux yeux de la loi pour le relever de ses obligations d'inscrit,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre de l'Intérieur et sous l'empire des dispositions de la *Loi des mesures de guerre de 1914*, de faire les règlements suivants, qui sont par ces présentes faits et décrétés en conséquence :

Dans le cas de tout inscrit ou autre preneur de terrain en vertu des dispositions de la *Loi des terres fédérales* qui prend du service actif dans la marine ou l'armée de la Grande-Bretagne ou de ses alliés dans la guerre actuelle, les dispositions de la *Loi des terres fédérales* limitant les privilèges des lettres patentes aux sujets britanniques nés ou naturalisés, ne s'appliqueront pas aux inscrits et autre preneurs décrits plus haut et les dites lettres patentes pourront leur être accordées nonobstant le fait qu'ils ne sont pas sujets britanniques.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le Département des affaires des sauvages a demandé la mise en réserve pour les sauvages de la bande des Piguis, en rapport avec leur réserve de Fisher Bay, d'un terrain requis pour leur industrie de la pêche dans les townships 29 et 30, rang 2, à l'est du méridien principal, dans la province du Manitoba, comprenant une superficie totale de 975.90 acres.

Et attendu que le terrain en question est disponible pour les fins susdites d'après les archives du Département de l'Intérieur.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, de décréter que ledit terrain, qui est plus minutieusement décrit ci-dessous, soit par ces présentes soustrait de l'application de ladite loi et mis en réserve pour les sauvages de la bande des Peguis.

Ce terrain peut être décrit plus minutieusement comme suit :

La moitié est de la section 31 et toute la partie de la section 32 située à l'ouest de Fisher-Bay, township 29, rang 2, à l'est du méridien principal ; le quart sud-ouest de la section 6, et les parties du quart sud-est de la section 6 et du quart sud-ouest de la section 5, situées à l'ouest de Fisher-Bay, dans le township 30, rang 2, à l'est du méridien principal, ainsi qu'indiqué sur des plans d'arpentage des dits townships approuvés et confirmés à Ottawa, le 11 janvier 1912, par Edouard Deville, arpenteur général des terres fédérales, et déposés au Département de l'Intérieur, le tout comprenant 975.90 acres, plus ou moins.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il plaît à Son Excellence le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de la *Loi des mesures de guerre, 1914*, de décréter par ces présentes ce qui suit :—

Les articles 3, 4 et 5 des règlements établis par un arrêté en conseil du 5 mars 1917 (C.P. 572), sont par ces présentes rescindés, et les articles suivants leur sont substitués :—

"3. Nulle compagnie n'acquerra ou possédera les droits ou privilèges ci-dessus mentionnés si elle est étrangère et ennemie, ou si elle est enregistrée dans un pays étranger ennemi, ou si elle a son bureau principal dans tel pays, ou si le président de telle compagnie ou un des directeurs est sujet d'un pays étranger ennemi, ou si telle compagnie est sous le contrôle, soit directement ou indirectement, d'un étranger ennemi ou d'étrangers ennemis, ou d'une corporation étrangère ou de corporations étrangères ennemies.

4. Tout changement dans les articles d'association, la constitution ou les lois de la compagnie possédant les droits, pouvoirs ou privilèges ci-dessous mentionnés devra être signalé par le fonctionnaire compétent de la compagnie au Ministre de l'Intérieur, et un avis préalable de deux mois, par écrit, sera donné au Ministre de l'Intérieur de l'intention de faire un changement quelconque qui pourrait directement ou indirectement affecter le caractère ou la direction de telle compagnie; et si, de l'avis du Ministre de l'Intérieur, le dit changement était contraire au principe essentiel que la dite compagnie soit et demeure une compagnie qui n'est ni d'origine ennemie ni sous le contrôle d'un ennemi, le Ministre de l'Intérieur peut refuser son consentement à tel changement, et en cas de refus de s'y conformer il peut déclarer que telle compagnie est une compagnie étrangère ennemie et révoquer les dits droits, pouvoirs et privilèges en vertu des dispositions du règlement suivant.

"5. Si une compagnie qui a acquis un droit, pouvoir ou privilèges quelconque ci-dessus mentionné tombe à certain moment sous le contrôle d'un ennemi étranger ou d'ennemis étrangers ou d'une corporation étrangère ennemie ou de corporations étrangères ennemies, ou si elle cède quelqu'un des droits, pouvoirs ou privilèges susdits sans le consentement écrit du Ministre de l'Intérieur, ou si le dit droit, pouvoir ou privilège a été acquis par erreur, fausse représentation ou fraude, le Ministre de l'Intérieur peut révoquer la concession de ce droit, pouvoir ou privilège, qui sera *ipso facto* révoquée, et tout argent ou tous honoraires payés à Sa Majesté seront *ipso facto* confisqués au profit de Sa Majesté.

ATTENDU que la loi concernant la peine militaire de la détention exige qu'elle soit exécutée dans les "casernes de détention";

Et attendu que bien qu'en vertu des dispositions de la *Loi de la Milice* le Gouverneur en conseil a l'autorité de désigner des endroits spéciaux, autres qu'une geôle, une prison ou un pénitencier pour l'exécution des arrêts d'emprisonnement, cependant il n'y a dans cette loi aucune disposition qui autorise le Gouverneur en conseil à désigner des endroits pour l'exécution des arrêts de détention;

Et attendu que dans l'intérêt de la discipline il est opportun que de tels endroits soient désignés et que des règlements soient établis pour leur administration et la gouverne des détenus,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des pouvoirs qui lui confère l'article 6 de la *Loi des mesures de guerre de 1914*, de décréter par ces présentes ce qui suit :

1. Que tous bâtiments ou parties de bâtiments que le Ministre de la Milice et de la Défense peut de temps à autre désigner seront des casernes de détention pour l'incarcération des personnes condamnées à la détention par des cours martiales ou des officiers commandants.

2. Que les règlements pour la gouverne et l'administration de ces casernes de détention seront ceux qui pourront être publiés de temps à autre dans les Ordres Généraux, et que ces règlements pourront prescrire la punition par correction personnelle, contrainte ou autrement, de tous délits commis par les détenus; pourvu, toutefois, que ces règlements n'autorisent pas de châtimement corporel pour un délit quelconque ni ne rende la détention plus sévère qu'elle ne l'est sous l'empire de la loi en vigueur dans les prisons communes de la province où est située la caserne de détention.

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 mai 1917, disant qu'il lui a été représenté que M. Harold Wills, qui s'inscrivit pour la moitié nord de la section 22, township 25, rang 10, à l'ouest du 4e méridien, en vertu d'un certificat de volontaire Sud-Africain, le 21 juin 1910, est devenu permanentement invalide par la maladie après avoir obtenu son inscription et est incapable de remplir ses obligations de résidence conformément aux dispositions de la *Loi des terres fédérales de 1908*.

Le ministre signale la déclaration de M. Wills qu'il a accompli deux termes de résidence de six mois chacun et qu'il lui a été impossible de compléter le troisième terme requis, et il ajoute que M. Wills lui a fait tenir un certificat médical où il est établi qu'il souffre de dilatation du cœur et qu'il lui est impossible, dans les circonstances de compléter ses obligations d'établissement.

Le ministre ajoute que M. Wills, par un certificat médical subséquent, a établi que sa maladie est de nature permanente.

Le ministre recommande par conséquent que M. Wills soit relevé de toute obligation future de résidence, en vertu des dispositions du paragraphe 2, de l'article 20 de la Loi, et que patente de la demi section plus haut décrite lui soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agréé cette recommandation et la soumet pour approbation.

CANADIENNES, 1916.—
MODIFICATIONS.

L'article 126 est annulé par le présent, et ce qui suit lui est substitué :—

"126. Toutes les sommes dues au public et imputables aux sous-officiers et hommes, tels que dommages

aux casernes, amendes, retenues, confiscations, etc., doivent être remboursées en les portant à la colonne "autres frais" de l'état de solde, et il faudra inscrire une remarque dans la colonne des "remarques" indiquant la nature de chaque retenue.

Dans le cas de pertes d'effets d'habillement ou d'articles réglementaires, l'officier commandant la compagnie, etc., doit préparer un état en quintuplicata sur la formule de milice C. 512, donnant le nom de chaque homme auquel il faut remettre de nouveaux articles pour remplacer ceux qui manquent, ainsi que les articles qu'il faut lui remettre, et l'officier doit expédier toutes les copies de l'état au quartier-maître de l'unité à la date que lui indiquera son officier commandant.

La valeur des articles remis à chaque individu sera insérée par le quartier-maître, et chaque homme doit signer toutes les copies de l'état pour les articles qui lui sont remis.

Quatre copies de l'état doivent être expédiées à l'officier le plus ancien des magasins militaires et il doit certifier à l'en-dos de chaque copie que les prix exigés sont conformes à la liste de prix des approvisionnements, vêtements et effets, et il doit renvoyer toutes les quatre copies à l'unité sans délai.

Les quatre copies ainsi certifiées seront alors expédiées au payeur régimentaire au plus tard le 23e jour de chaque mois. Immédiatement après la réception des copies le payeur régimentaire doit porter à la colonne "autres frais" le montant total contre l'homme con-

cerné, et il doit ensuite certifier à l'en-dos de chaque copie que la chose a été faite.

Les dites quatre copies de l'état seront alors expédiées avec l'état de solde à l'inspecteur des comptes et archives de district. Après que l'inspecteur de district aura vérifié l'état de solde il devra certifier à l'en-dos de chaque copie de l'état que le montant porté au compte a été placé au crédit du public et il devra renvoyer deux copies de l'état à l'unité sans délai.

S'il faut remplacer les articles, les magasins militaires en feront l'émission gratuitement, pour compléter l'allocation, pour remplacer une même quantité émise contre remboursement par l'unité.

L'inspection du petit équipement doit se faire au plus tard le 15 de chaque mois afin de pouvoir compléter les états, etc., avant la fin du mois.

Dans le cas de frais pour perte d'équipement ou frais évalués pour réparations, on devra se servir de la formule de milice D. 871, et on suivra la même procédure avec cette formule pour porter le montant au crédit du public, qu'avec la formule de milice C. 512 pour la livraison de vêtements et effets contre remboursement. Si ces frais n'ont pas été perçus avant que l'unité se rende outre-mer, la pièce justificative de débit au comptant sera expédiée au payeur en chef, T.E.C., Angleterre, pour perception, et une copie additionnelle de la pièce justificative devra être adressée au quartier général de la milice, certifiée à cet effet, pour les archives.

| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... | 150 00 |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... | 200 00 |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... | 300 00 |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... | 400 00 |
| (i) Pour chaque million ou fraction de million de dollars additionnel.... | 100 00 |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité et ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéjussur; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1916.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

A. E. BLOUNT,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal, —dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone, —dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en paver la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

A. E. BLOUNT,
Greffier du Sénat.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report dated 14th May, 1917, from the Minister of the Interior, stating that it has been represented that Mr. Harold Wills, who entered for the north half of Section 22, Township 25, Range 10, west of the 4th Meridian, under a South African Volunteer Certificate, on the 21st June, 1910, became permanently disabled through illness, after obtaining his entry, and is unable to complete his residence duties in pursuance of the provisions of The Dominion Lands Act of 1908 ;

The Minister observes that Mr. Wills states that he has completed two terms of residence of six months each, but has not been able to finish the required third term ;

That Mr. Wills has forwarded a medical certificate, setting out that he is suffering from dilatation of the heart, and that under the circumstances it would not be possible for him to complete his settlement duties, and

That a further certificate has been submitted to the effect that his illness is of a permanent nature,—

The Minister, therefore, recommends that Mr. Wills be relieved from the performance of any further residence duties under the provisions of clause 2, section 20, of the Act, and that patent be issued to Mr. Wills for the half section above mentioned upon evidence being submitted that the other conditions of the law have been complied with.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

[1348]
AT THE GOVERNMENT HOUSE AT OTTAWA.
Monday, the 21st day of May, 1917.

PRESENT :
HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 8th May, 1917, from the Minister of the Interior, referring to an Order in Council, dated the 7th December, 1914 (P.C. No. 1239), which among other things purported to authorize the sale of certain water-power lands on the Pinawa channel of the Winnipeg River to the Winnipeg Electric

Railway Company, upon which lands they had erected a large hydro-electric power plant from which power is being delivered in the City of Winnipeg.

The Minister observes that subsequent to the passage of this Order in Council, the Department of Justice ruled that, in view of section 6, chapter 27, 4 and 5 George V, amending section 35 of The Dominion Lands Act which provides that lands valuable for water-powers may not be sold, homesteaded or conveyed in fee, but may only be leased, the sale of these lands to the Winnipeg Electric Railway Company could not legally be carried out, the Order in Council authorizing such a disposition of the land being *ultra vires*.

The Minister states that on account of this decision by the Department of Justice, it has been necessary to again enter into negotiations with the company with the object of arriving at a mutually satisfactory arrangement respecting the disposition of these lands upon which the company's works were situated, and to hold a number of conferences between the representatives of the Winnipeg Electric Railway Company and the officials of the Department of the Interior in an effort to reach a satisfactory agreement; and

That, as a result of these conferences, an agreement has been reached whereby the company have consented to accept a lease for the said lands in lieu of title in fee simple.

The Minister therefore recommends that he be authorized to grant a lease in favour of the Winnipeg Electric Railway Company for the lands set out in schedule A, hereto attached, upon which the company have erected their works, such lease to be for a period of twenty-one years, renewable for a further period of twenty-one years, and so on in perpetuity; such lease to run concurrently with a water license which was issued the said company, bearing date the second of August, 1914, and to provide that in the event of the cancellation of such water license the lease shall *ipso facto* cease and determine without re-entry or any other act or legal proceeding whatever and without further compensation to the lessee than that which is paid in respect of the cancellation, termination or voidance of the said water license; that the company shall be charged an annual rental of fifty cents per acre during the first period of the lease, such rental to be subject to revision by the Governor in Council at the expiration of each twenty-one year renewal period; and to further provide that, in case of the non-payment of the rentals set forth therein, or the non-fulfilment of any of the conditions therein provided, the same shall be subject to cancellation by the Exchequer Court on application of the Crown, which court shall determine the compensation, if any be paid, according to the provisions of the regulations of the Dominion Government then in force for the administering of water-powers within its control.

The Committee concur in the above recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

TUESDAY, the 15th day of May, 1917.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

Whereas it is deemed desirable to change the classification of those who are to be entitled to War Badges and to enact new Rules and Regulations with regard thereto:—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Militia and Defence and under and in virtue of the provisions of the War Measures Act, 1914, is pleased to adopt and doth hereby adopt the classification hereinafter contained and is further pleased to make and enact the following Rules and Regulations in lieu of the Classification, Rules and Regulations established by the Order in Council of the 27th February, 1917 (P.C. 275), and the same are hereby made and entered, accordingly, viz:—

CLASSIFICATION.

1. The following four classes shall, subject to the provisos hereinafter mentioned, be entitled to War Badges, provided that not more than one Badge shall be issued to any one person.

A. Members of the Canadian Expeditionary Force who have seen Active Service in the present War in England or at the Front, and who, in the case of officers have honourably retired or relinquished their commissions in the Canadian Expeditionary Force, or, in the case of men, have been honourably discharged from the Canadian Expeditionary Force, on account of old age, wounds or sickness, such as would render them permanently unfit for further military service, provided their claims are duly approved.

B. Members of the Canadian Expeditionary Force not included in Class "A" who have served in the present War and who, in the case of officers, have honourably retired or relinquished their commissions in the Canadian Expeditionary Force, or, in the case of men, have been honourably discharged from the Canadian Expeditionary Force, on account of old age, wounds, or sickness, such as would render them permanently unfit for further military service, provided their claims are duly approved.

C. Those who have offered themselves for active service in the Canadian Expeditionary Force and have been rejected as medically unfit, provided that no badge shall be issued to any person who has been rejected on account of a temporary disability, or who is obviously unfit for service in the Canadian Expeditionary Force.

D. Those who have offered themselves for active service overseas, and who have been refused on the ground that their services are of more value to the State in the employment in which they are engaged than on active service overseas.

Proviso: No badges shall be issued in Classes "A" and "B" to those who accepted their discharge by reason of the stoppage of working pay, if they are still medically fit for active service overseas.

10. Any person who makes any false representations or in any way illegally or fraudulently attempts to obtain the issue of any such Badge or Certificate, or any person who is a party to any such representations or attempts, shall be guilty of an offence and liable to the penalty provided by Section 14 hereof.

11. No person shall, without lawful authority, supply any such Badge to any person not authorized to wear the same.

12. In case any person shall lose either his Badge or his Certificate, he shall forthwith report the loss to the authority by whom the Badge was issued, who, in his discretion, may issue a new Badge to such person.

13. No person shall manufacture, sell, purchase or wear any Badges other than those hereby authorized which purport to show that any person comes within any of the four Classes mentioned in Section 1 of this order.

14. Any person violating or infringing any of the provisions of these Regulations shall be liable upon summary conviction under the provisions of Part XV of the Criminal Code to a fine not exceeding Five Hundred Dollars (\$500) or to imprisonment, for a period not exceeding Six (6) months.

15. Upon the prosecution of any person for illegally wearing any of the Badges herein approved, the production of the certificate mentioned in Section 7 herein shall be *prima facie* proof that the accused is entitled to wear the same, but in the absence of such certificate the onus of proof shall be upon the accused.

16. Nothing in these Regulations shall be taken as applying to the Badges heretofore issued and which may hereafter be issued by the Canadian Patriotic Fund for service at the Front, except that any person wearing such Badge without being duly entitled thereto, shall be liable to the penalty provided for in Section 14.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 16th day of March, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR
GENERAL IN COUNCIL.

WHEREAS the law, with reference to the military punishment known as "detention" requires that sentences be carried out in "detention barracks;"

And whereas, under the provisions of The Militia Act, the Governor in Council has authority specially to appoint places in which a sentence of imprisonment may be carried out, instead of a gaol, prison or penitentiary, yet there is no provision in that Act to enable the Governor in Council to appoint places for carrying out sentences of detention;

And whereas, in the interests of discipline, it is desirable that such places should be appointed, and moreover, it is desirable that regulations should be made for the governing of such places and their inmates;

Therefore the Governor General in Council, under and in virtue of the authority contained in section 6 of The War Measures Act, is pleased to order and declare and doth hereby order and declare as follows:—

1. That such buildings and parts of buildings as the Minister of Militia and Defence may from time to time designate in Militia Orders, shall be detention barracks for the detention of persons sentenced to detention by Courts Martial, or awarded detention by commanding officers.

2. That the regulations for governing, managing and regulating such detention barracks shall be such as may be from time to time published in General Orders, and that such regulations may contain provisions for punishing, by personal correction, restraint or otherwise, all offences committed by men while undergoing detention; so, however, that such regulations shall neither authorize corporal punishment to be inflicted for any offence, nor render the detention more severe than it is under the law in force in the common gaols in the Province in which the detention barrack in question is situate.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS it is provided by section 25, and by other sections of the Dominion Lands Act, chapter 20, 7-8 Edward VII, that letters patent for Dominion Lands shall not issue to any person who is not a British subject by birth or by naturalization; and

Whereas one Henri Phalempin, who was born in France, made homestead entry for the southwest $\frac{1}{4}$ of section 5, township 37, range 1, west of the 3rd Meridian on the 31st July, 1912, and the said entrant, who was a French reservist, rejoined his regiment immediately upon the commencement of the present war; and

Whereas Mr. Phalempin made the usual application for the issue of letters patent for his homestead, on the 2nd November, 1916, and it appears from the evidence accompanying that application that he has fully complied with all the conditions of the homestead entry he made under the provisions in that behalf contained in The Dominion Lands Act, except the condition respecting his naturalization as a British subject, because of which the preparation of the letters patent for his homestead has been delayed; and

Whereas, if Mr. Phalempin is called upon to comply with the provisions of The Naturalization Act, it will cause delay which is considered unnecessary under the circumstances of this case; and

Whereas it may be impossible for any alien homesteader, or other entrant for Dominion Lands, who is on active service as a member of any naval or military

unit of Great Britain, or of any of the allies of Great Britain, to comply with the above mentioned condition of his entry until he has been released from such service; and

Whereas it will be a hardship upon any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act, who is placed as Mr. Phalempin is, to be compelled to comply with the provisions before referred to, as it is considered that active service as a member of any naval or military unit of Great Britain, or of any of the allies of Great Britain, is sufficient of itself to satisfy the purpose and intention of the provisions of the Dominion Lands Act in that respect,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of the Interior and under and by virtue of the provisions of the War Measures Act, 1914, is pleased to make the following Regulation and the same is hereby made and enacted accordingly:—

When any homesteader or other entrant for any lands under any of the provisions of the Dominion Lands Act is on active service as a member of His Majesty's naval or military forces, or of the naval or military forces of any of His Majesty's allies in the present war, the provisions of the Dominion Lands Act forbidding the issue of letters patent to any person who is not a British subject by birth or naturalization shall not apply to such homesteader or entrant, and the letters patent for the lands may issue to him notwithstanding that such homesteader or entrant is not a British subject.

Clerk of the Privy Council.

Clauses 3, 4 and 5 of the Regulations established by Order in Council of the 5th of March, 1917, (P. C. 572), are hereby rescinded and the following Clauses are hereby made and enacted in lieu thereof:

"3. No company shall acquire or hold any of the rights, powers or benefits hereinbefore referred to if such company be an alien enemy company, or registered in an alien enemy country, or having its principal place of business within such country, or if the chairman of such company or any of the directors are subjects of an alien enemy country, or if such company is controlled, either directly or indirectly, by an alien enemy or alien enemies, or by an alien enemy corporation or alien enemy corporations.

"4. Any alteration in the Memorandum of Articles of Association, or in the constitution, or in the laws of any company holding any rights, powers or benefits hereinafter referred to shall be reported by the proper officer of the company to the Minister of the Interior, and two months previous notice in writing shall be given to the Minister of the Interior of the intention to make any alteration which might conceivably, either directly or indirectly, affect the character or control of any such company, and if, in the opinion of the Minister of the Interior, the said alteration shall be contrary to the cardinal principle that the said company shall be and remain a company not of alien enemy origin or control, the Minister of the Interior may refuse his consent to such alteration, and if his refusal is not obeyed, may declare such company to be an alien enemy company and may cancel the said rights, powers and benefits under the provisions of the next following regulation.

5. If any company which has acquired any right, power or benefit hereinbefore referred to shall, at any time, become subject to the control of an alien enemy, or alien enemies, or an alien enemy corporation or corporations, or shall assign any of the rights, powers or benefits aforesaid, without the consent in writing of the Minister of the Interior being first had and obtained, or if the said right, power and benefit has been acquired through error, misrepresentation or fraud, the Minister of the Interior may cancel the grant of such right, power or benefit and thereupon the same shall *ipso facto* be cancelled and any moneys or fees paid to or deposited with His Majesty shall be *ipso facto* forfeited to His Majesty.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 29th day of May, 1917.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 22nd May, 1917, from the Minister of the Interior, submitting that an application has been received on behalf of the Town of The Pas, Man., from the Board of that place for the Fractional S. E. $\frac{1}{4}$ of Section 9, and the Fractional N. E. $\frac{1}{4}$ of Section 4, in Township 56, Range 26, west of the Principal Meridian, in the Province of Manitoba, lying on the south side of the Pasquia River adjoining the Town of The Pas and containing 140 acres ; for industrial purposes.

The Minister states that it has been represented that The Pas is the only shipping point in this territory and the only point at which any works can be conveniently established. That at present there are no docks nor any place where a boat can land passengers or cargo ; and that the parcels applied for which are unfit for agricultural purposes can be utilized for docks, repairing boats, loading and unloading rough freight and for other industrial purposes ;

That the tract applied for has been inspected and valued by an Officer of the Department of the Interior, who reported as follows :—" At certain season of the year this is flooded lands, and it is of no material value as agricultural land. It will, therefore, be necessary for the Board of Trade to expend a large amount of money for roads and docks. I consider \$1 per acre a fair valuation to put on the land."

That in view of the representations made in support of the application and of the report and valuation of the inspecting officer, the Minister is of the opinion that the application should receive favorable consideration and he therefore recommends that he be authorized to sell, at the rate of \$1 an acre, to the Town of The Pas, in the Province of Manitoba, the parcels of land applied for, containing 140 acres, which are available for the purpose, and which may be more particularly described as follows, that is to say :—

NOTICE TO MARINERS

No. 34 of 1917.

(Atlantic No. 17.)

CANADA.

(86) Notice to all Masters, Shipowners and others concerned.

The following extracts from "Defence of Canada Order, 1917", are published for the information of mariners:—

"22. The Master of a ship, or any other person shall obey and observe all orders relating to the navigation or mooring of ships in a harbour or the approaches thereto, or any signals from or any orders, whether verbal or written, of the competent naval or military authority of the harbour, or any examining officer, or other officer acting under his authority, relating to such navigation or mooring.

23. The Master of a ship, her wireless operator, or any other person must obey and observe all orders and regulations, whether written or verbal, of the competent naval or military authority of the harbour, or any examining officer, or other officer acting under his authority, relating to the working, or the fittings of the whole or any part of the wireless installation in such ship.

The competent naval or military authority of the harbour, or any examining officer, or the officer acting under his authority, may require the officer or person in charge of the wireless installation of a ship to remain on board the ship on her arrival in harbour until the officer appointed to inspect wireless telegraph installations is satisfied that orders or regulations concerning wireless telegraph installations have been complied with.

24. The competent naval or military authority may make orders for restricting or controlling the use of boats in any harbour or the approaches thereto.

25. Every vessel, being a vessel registered in Canada, and every vessel within the territorial waters of the Dominion of Canada, shall comply with such orders as to the navigation of vessels as may be issued by the Department of the Naval Service, and shall obey any orders given, whether by way of signal or otherwise, by any officer in command of any of His Majesty's or His Majesty's Canadian ships, or by any naval or military officer engaged in the defence of the coast.

If any vessel fails to comply with any such order or to obey any such orders, the Master or other person in command or charge of the vessel shall be guilty of an offence under this order, and if the vessel is at any time subsequently found at a port of, or within the territorial waters adjacent to, the Dominion of Canada, the competent naval or military authority may cause the vessel to be seized and detained until it has been established to the satisfaction of such authority that the vessel has a right to proceed.

This order shall not apply to a vessel not being a vessel registered in Canada, where the non-compliance with the orders or disobedience to the orders takes place on the high seas outside the territorial waters adjacent to the Dominion of Canada.

26. The Minister of the Naval Service may by order prohibit any vessel, or any vessel of any class or description specified in the order, from entering any area which he may consider it is necessary to keep clear of vessels, or vessels of that class or description, in the interests of the public safety or the defence of the Empire, and if any vessel, or any vessel of that specified class or description enters any such area, the Master or other person in command or charge of the vessel shall be guilty of an offence against this order, and if the vessel is at any time subsequently found at a port in or within the territorial waters adjacent to the Dominion of Canada, the competent naval or military authority may cause the vessel to be seized and detained until it has been established to the satisfaction of such authority that the vessel has a right to proceed.

This order shall not apply to a vessel not being a British vessel so far as the area specified in the order extends beyond the territorial waters adjacent to the Dominion of Canada.

27. If any vessel causes any injury by collision or otherwise to any ship belonging to or engaged in the service of His Majesty or to any person on board such ship, or is so navigated or managed as to cause danger of collision with any ship belonging to or engaged in the service of His Majesty, the Master or other person in charge of the vessel shall be guilty of an offence under this order, unless it is shown that such injury or danger of collision was not caused or contributed to by any failure on his part to keep or cause to be kept a proper lookout, or to observe or cause to be observed any of the orders for preventing collisions at sea or any orders relating to the navigation or mooring of ships in a harbour or the approaches thereto, or any of these orders or to take or cause to be taken any precaution required by the ordinary practice of seamen or by the special circumstances of the case".

"51 Any person contravening any of the provisions of this Order shall be liable to a penalty not exceeding Five Thousand Dollars or imprisonment for any term not exceeding five years or to both fine and imprisonment; any such penalty may be recovered or enforced by summary proceedings and conviction under the provisions of Part 15 of the Criminal Code".

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1916.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be

published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
- (3) The name and address of the solicitor, if any, acting for the petitioner.
- (4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.
- (5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—
 - (a) The respondent's residence at the time of sending such notice.
 - (b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.
 - (c) The name and address of the solicitor, if any, acting for the respondent.
 - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be con-

sidered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

"3. Nulle compagnie n'acquerra ou possédera les droits ou privilèges ci-dessus mentionnés si elle est étrangère et ennemie, ou si elle est enregistrée dans un pays étranger ennemi, ou si elle a son bureau principal dans tel pays, ou si le président de telle compagnie ou un des directeurs est sujet d'un pays étranger ennemi, ou si telle compagnie est sous le contrôle, soit directement ou indirectement, d'un étranger ennemi ou d'étrangers ennemis, ou d'une corporation étrangère ou de corporations étrangères ennemies.

Au comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 mai 1917, disant qu'il lui a été représenté que M. Harold Wills, qui s'inscrivit pour la moitié nord de la section 22, township 25, rang 10, à l'ouest du 4e méridien, en vertu d'un certificat de volontaire Sud-Africain, le 21 juin 1910, est devenu permanentement invalide par la maladie après avoir obtenu son inscription et est incapable de remplir ses obligations de résidence conformément aux dispositions de la *Loi des terres fédérales de 1908*.

Le ministre signale la déclaration de M. Wills qu'il a accompli deux termes de résidence de six mois chacun et qu'il lui a été impossible de compléter le troisième terme requis, et il ajoute que M. Wills lui a fait tenir un certificat médical où il est établi qu'il souffre de dilatation du cœur et qu'il lui est impossible, dans les circonstances de compléter ses obligations d'établissement.

Le ministre ajoute que M. Wills, par un certificat médical subséquent, a établi que sa maladie est de nature permanente.

Le ministre recommande par conséquent que M. Wills soit relevé de toute obligation future de résidence, en vertu des dispositions du paragraphe 2, de l'article 20 de la Loi, et que patente de la demi section plus haut décrite lui soit délivrée sur preuve établie de la manière ordinaire que les autres conditions de la loi ont été remplies.

Le comité agréé cette recommandation et la soumet pour approbation.

HÔTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 15^e jour de mai 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu qu'il est jugé opportun de changer la classification de ceux qui ont droit aux insignes de guerre et d'établir de nouveaux règlements en ce qui les concerne.

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du ministre de la Milice et de la Défense et en vertu des dispositions de la Loi des mesures de guerre de 1914, d'adopter par ces présentes la classification ci-dessous contenue en remplacement des règlements établis par l'arrêté en conseil du 27 février 1917, (C.P. 275), et les dits règlements sont par ces présentes établis en conséquence :

CLASSIFICATION.

1. Les quatre classes suivantes, conformément aux conditions ci-dessous mentionnées, ont droit à des insignes de guerre pourvu qu'à nulle personne ne soit décerné plus d'un insigne.

A. Membres du corps expéditionnaire canadien qui ont servi dans la présente guerre en Angleterre ou au front, et qui, dans le cas d'officiers, sont en congé honorable, ou ont remis leur commission dans le corps expéditionnaire canadien, ou qui, dans le cas des soldats, ont été honorablement réformés pour raison d'âge, de blessures ou de maladie qui les rendaient permanemment inaptes à tout service militaire, pourvu que leurs demandes soient dûment approuvées.

B. Membres du corps expéditionnaire canadien non compris dans la classe "A" qui ont servi dans la présente guerre et qui, dans le cas d'officiers, sont en congé honorable ou ont remis leur commission dans le corps expéditionnaire canadien, ou qui, dans le cas des soldats, ont été honorablement réformés pour raison d'âge, de blessures ou de maladie qui les rendaient permanemment inaptes à tout service militaire, pourvu que leurs réclamations soient dûment approuvées.

C. Ceux qui se sont offerts pour le service actif dans le corps expéditionnaire canadien et ont été refusés comme étant physiquement inaptes au service, pourvu qu'aucun insigne ne soit décerné à quiconque a été refusé à cause d'invalidité temporaire ou qui est évidemment inapte au service dans le corps expéditionnaire canadien.

D. Ceux qui se sont offerts pour le service actif outre-mer, mais qui ont été refusés parce que leurs services valent plus pour l'Etat dans l'emploi qu'ils occupent qu'ils ne vaudraient dans le service actif outre-mer.

Restriction. Ne sera décerné d'insigne de guerre dans les classes "A" et "B" à nul qui a accepté son congé parce que sa solde était suspendue, s'il est encore physiquement apte au service outre-mer.

FORME DES INSIGNES.

Insigne de la classe "A". L'insigne en argent est décerné par les autorités impériales.

Insigne de la classe "B". Bouton de métal avec queue et revers; au centre du bouton une couronne Tudor d'émail rouge à l'intérieur; au-dessous le mot "Canada"; dans un cercle entourant la couronne les mots "*Honourable Service*"; sous la couronne un bouquet de feuilles d'érable; espace entre le cercle émaillé blanc; le revers soudé au bouton; espace sur le revers pour un numéro et les mots suivants: "*Penalty for misuse Five Hundred Dollars (\$5,000) or six (6) months.*"

Insigne de la classe "C". Bouton de métal avec queue et revers; au centre du bouton les armes du Canada sur un fond d'émail rouge; dans un cercle autour des armes du Canada les mots "*Honourably Exempt*"; au sommet du cercle une couronne Tudor; à la base dans un enroulement le mot "Canada"; même revers que pour la classe "B".

Insigne de la classe "D". Boutons de métal avec queue et revers; au centre du bouton, sur un tronc d'arbre un castor sur fond d'émail bleu; dans un cercle autour du castor les mots "*Honourably Exempt*"; au sommet du cercle une couronne Tudor; à la base dans un enroulement le mot "Canada"; même revers que pour la classe "B".

RÈGLEMENTS.

1. Tous les insignes ainsi approuvés pour les classes A, B et C seront distribués en la manière que l'ordonnera le Ministre des forces d'outre-mer du Canada et, en Canada, ainsi que le prescrira le Ministre de la Milice et de la Défense.
2. Les insignes de la classe "D" seront distribués ainsi que le prescrira le directeur général du service national.
3. Toute demande doit être faite sur une formule fournie à cette fin et contenant les détails concernant le requérant et la nature de la demande, accompagnée de telle preuve que peuvent exiger de temps à autre les autorités qui distribuent les insignes.
4. A moins qu'il ne soit autrement prescrit, cette preuve peut se faire comme suit :
 - Classe "A". En présentant un certificat de congé et, à demande, en prouvant autrement que les conditions exigées ont été remplies.
 - Classe "B". En présentant un certificat de congé et, à demande, en prouvant autrement que les conditions exigées ont été remplies.
 - Classe "C". En présentant un certificat médical obtenu lors de la demande, dûment signé par un bureau médical ou un officier du service médical autorisé par le commandant d'un district militaire.
 - Classe "D". En établissant la preuve que peut prescrire le Directeur général du Service national.
5. Chaque insigne ainsi décerné portera un numéro matricule comme moyen d'identification.
6. Pour chaque classe sera tenu un registre dans lequel sera inscrit le numéro de l'insigne, la raison qui l'a fait décerner et la date où il l'a été, ainsi que le signalement de la personne qui l'a reçu.
7. A chacun qui reçoit un insigne sera donné un certificat signé par l'autorité qui décerne l'insigne, contenant les mêmes renseignements et détails qui sont inscrits au registre susdit.
8. Toute personne à laquelle a été décerné un insigne doit en tout temps, lorsqu'elle porte l'insigne ou l'a en sa possession, avoir en même temps le certificat, et, à la demande d'un officier, d'un constable ou agent de la paix, présenter ce certificat.
9. Personne autre que celui à qui a été dûment décerné l'insigne ne portera d'insigne ainsi approuvé ou d'autre insigne quelconque lui ressemblant tellement qu'il pourrait servir à déception.
10. Quiconque fait de fausses représentations ou tente illégalement ou frauduleusement d'obtenir un tel insigne ou certificat, ou quiconque est fauteur dans de telles représentations, est coupable de délit et passible de l'amende prescrite à l'article 14 des présentes.
11. Personne sans autorité légale ne donnera de tel insigne à quiconque n'est pas autorisé à le porter.
12. Au cas où quelqu'un perdrait son insigne ou son certificat, il en fera immédiatement rapport aux autorités qui lui ont décerné l'insigne et qui, à leur discrétion, pourront en accorder un autre.
13. Personne ne fabriquera, vendra, achètera ou portera d'insignes autres que ceux qui sont autorisés par les présentes et qui sembleraient indiquer qu'une personne quelconque appartient aux quatre classes mentionnées à l'article 1 du présent décret.
14. Quiconque viole ou enfreint une disposition des présents règlements est passible sur conviction sommaire sous l'empire des dispositions de la partie XV du Code Criminel d'une amende n'excédant pas cinq cents dollars (\$500.00) ou d'emprisonnement pour une période n'excédant pas six (6) mois.
15. Dans les poursuites intentées contre une personne quelconque pour le port illégal des insignes approuvés par ces présentes, la présentation du certificat mentionné à l'article 7 sera preuve *prima facie* que l'accusé a le droit de porter ledit insigne, mais en l'absence de tel certificat la preuve incombe à l'accusé.
16. Rien dans les présents règlements ne sera censé s'appliquer aux insignes antérieurement décernés ou qui peuvent l'être à l'avenir par le Fonds Patriotique canadien pour service au front, sauf que toute personne portant cet insigne sans y avoir droit sera passible de l'amende prescrite à l'article 14.
17. Le Gouverneur en conseil peut de temps à autre établir d'autres règlements pour l'application du présent arrêté en conseil.

LE comité du Conseil privé, à l'avis du Très Honorable Premier Ministre, recommande que tous les arrêtés en conseil adoptés depuis le commencement de la guerre au sujet du paiement des appointements des fonctionnaires du service civil qui se sont déjà enrôlés soient nuls et de nul effet dans le cas des membres du service civil qui s'enrôleront volontairement ou autrement dans les effectifs militaires du Canada après la date du présent arrêté.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que l'article 25 et autres articles de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, stipulant qu'aucune lettre patente de terres fédérales ne sera accordée à une personne qui n'est pas sujet britannique né ou naturalisé ; et,

Attendu que, le 31 juillet, 1912, un certain Henri Phalampin, né en France, a obtenu l'inscription de homestead du quart sud-ouest de la section 5, township 37, rang 1, à l'ouest du 3e méridien, qu'il était réserviste français et qu'il rejoignit son régiment au commencement de la guerre actuelle ;

Attendu que le 2 novembre 1916, M. Phalampin a demandé, de la manière ordinaire, les lettres patentes de son homestead et que, d'après les preuves dont il accompagne sa demande, il paraîtrait qu'il a rempli les conditions de son inscription conformément aux dispositions de la *Loi des terres fédérales*, sauf en ce qui concerne sa naturalisation comme sujet britannique, ce qui a été cause du délai apporté dans la préparation de ses lettres patentes ; et

Attendu que le fait d'exiger de M. Phalampin de se conformer aux dispositions de la *Loi de naturalisation* causerait un retard inutile dans les circonstances ; et

Attendu qu'il serait probablement impossible à tout inscrit de nationalité étrangère ou autre en service actif dans les cadres de la marine ou de l'armée de la Grande-Bretagne ou des armées de ses alliés de se conformer ainsi aux conditions de son inscription avant d'obtenir son congé ;

Attendu qu'il serait pénible pour le homesteader ou l'inscrit, en vertu des dispositions de la *Loi des terres*

fédérales, qui se trouverait dans une position analogue à celle de M. Phalampin, de se voir forcé à se conformer aux dispositions de la dite loi, vu que le fait pour un inscrit de prendre du service actif dans la marine militaire ou l'armée de la Grande-Bretagne ou de ses alliés est en lui-même une raison suffisante aux yeux de la loi pour le relever de ses obligations d'inscrit,—

Par conséquent, il plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre de l'Intérieur et sous l'empire des dispositions de la *Loi des mesures de guerre de 1914*, de faire les règlements suivants, qui sont par ces présentes faits et décrétés en conséquence :

Dans le cas de tout inscrit ou autre preneur de terrain en vertu des dispositions de la *Loi des terres fédérales* qui prend du service actif dans la marine ou l'armée de la Grande-Bretagne ou de ses alliés dans la guerre actuelle, les dispositions de la *Loi des terres fédérales* limitant les privilèges des lettres patentes aux sujets britanniques nés ou naturalisés, ne s'appliqueront pas aux inscrits et autre preneurs décrits plus haut et les dites lettres patentes pourront leur être accordées nonobstant le fait qu'ils ne sont pas sujets britanniques.

IL plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre des Douanes, de décréter ce qui suit :—

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR
GÉNÉRAL EN CONSEIL.

ATTENDU que la loi concernant la peine militaire de la détention exige qu'elle soit exécutée dans les "casernes de détention" ;

Et attendu que bien qu'en vertu des dispositions de la *Loi de la Milice* le Gouverneur en conseil a l'autorité de désigner des endroits spéciaux, autres qu'une geôle, une prison ou un pénitencier pour l'exécution des arrêts d'emprisonnement, cependant il n'y a dans cette loi aucune disposition qui autorise le Gouverneur en conseil à désigner des endroits pour l'exécution des arrêts de détention ;

Et attendu que dans l'intérêt de la discipline il est opportun que de tels endroits soient désignés et que des règlements soient établis pour leur administration et la gouverne des détenus,—

Par conséquent, il plaît au Gouverneur général en conseil, en vertu des pouvoirs qui lui confère l'article 6 de la *Loi des mesures de guerre de 1914*, de décréter par ces présentes ce qui suit :

1. Que tous bâtiments ou parties de bâtiments que le Ministre de la Milice et de la Défense peut de temps à autre désigner seront des casernes de détention pour l'incarcération des personnes condamnées à la détention par des cours martiales ou des officiers commandants.

2. Que les règlements pour la gouverne et l'administration de ces casernes de détention seront ceux qui

pourront être publiés de temps à autre dans les Ordres Généraux, et que ces règlements pourront prescrire la punition par correction personnelle, contrainte ou autrement, de tous délits commis par les détenus ; pourvu, toutefois, que ces règlements n'autorisent pas de châtiment corporel pour un délit quelconque ni ne rende la détention plus sévère qu'elle ne l'est sous l'empire de la loi en vigueur dans les prisons communes de la province où est située la caserne de détention.

Et attendu que le dit règlement numéro trois (3) a été soumis au département de la Justice et que ce département fait rapport qu'il ne trouve aucune objection à son approbation ;

GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence le Gouverneur général en conseil, à la recommandation du Ministre du Service Naval et en vertu des dispositions de la *Loi des mesures de guerre de 1914*, d'établir les règlements suivants qui s'appliqueront aux employés des docks.

1. Les présents règlements s'appliquent à quiconque est employé dans un magasin, sur un quai ou ailleurs, ou sur un navire ou véhicule quelconque ou qui se trouve dans le voisinage d'un récipient ou endroit quelconque ou sont manipulées, transportées, emmagasinées ou déposées des munitions ou des substances explosives, ou des substances facilement inflammables servant à leur production, ou en quelque endroit où elles sont déposées pendant le transport ou en transit sur l'ordre des fonctionnaires du Service Naval ou du directeur des transports d'outre-mer.

2. Nul qui est employé dans tel magasin, sur tel quai ou dans tel autre endroit ou ailleurs, ou sur tel

navire ou véhicule, ou qui se trouve dans le voisinage d'un tel récipient ou endroit, ne fumera ni n'aura en sa possession d'allumettes, d'appareil d'allumage quelconque, de tabac, de cigares, de cigarettes, de pipes, ou quoi que ce soit qui peut servir à fumer, sauf par permission expresse d'un fonctionnaire du département du Service Naval, du directeur des transports d'outre-mer ou d'une autre personne qu'ils auront autorisée.

3. Quiconque est autorisé par un fonctionnaire du Service Naval ou le directeur des transports d'outre-mer peut en tout temps fouiller toute personne qui est dans tel magasin, ou qui se trouve sur tel quai ou dans tel autre lieu, ou sur un navire ou dans un véhicule quelconque, ou dans le voisinage d'un tel récipient ou endroit, et peut interroger cette personne et examiner ses vêtements et tout article qu'ils contiennent, et il peut confisquer et retenir pour les fins de poursuites qui pourraient être intentées tout article qu'il juge raisonnablement être pièce à preuve de l'infraction des présents règlements ou du décret de 1917 concernant la défense du Canada. Toute personne à qui la demande en est ainsi faite par un fonctionnaire du Service Naval, le directeur des transports d'outre-mer ou quiconque est autorisé comme susdit doit se soumettre à l'interrogatoire et la perquisition et se conformer à tous les ordres raisonnables ou aux règlements qui concernent la perquisition; toutefois, nulle personne du sexe féminin ne sera fouillée par d'autres ou en présence d'autres que de personnes de son sexe.

Mardi, le 29e jour de mai 1917.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Le comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 22 mai 1917, représentant que la chambre de commerce de la ville de Le-Pas, Manitoba, a demandé pour cette ville, pour fins industrielles, la concession du quart fractionnaire sud-est de la section 9, et du quart fractionnaire nord-est de la section 4, township 56, rang 26, à l'ouest du méridien principal, dans la province de Manitoba, le tout situé sur le côté sud de la rivière Pasquia, contiguë à la ville de Le Pas, et contenant 140 acres.

Le ministre déclare qu'il a été représenté que la ville de Le-Pas est l'unique point d'expédition de cette région et le seul endroit où des usines peuvent être commodément érigées, qu'il n'y a pas actuellement de bassin ou autre endroit convenable où un bateau puisse débarquer ses passagers ou décharger sa cargaison, et que le terrain demandé, impropre qu'il est à l'agriculture, peut être utilisé pour la construction de bassins, le radoub des bateaux, le chargement et le déchargement du gros fret et pour autres fins industrielles.

Le ministre ajoute que le terrain demandé a été examiné, sa valeur estimée par un fonctionnaire de son département, qui a fait le rapport suivant :—"Ce terrain est submergé à certaine saison et n'a aucune valeur agricole pratique. La chambre de commerce devra donc affecter de fortes sommes à la construction de routes et de bassins. J'estime qu'un dollar l'acre est un prix raisonnable pour ce terrain."

Vu les représentations faites à l'appui de la demande, et le rapport et l'évaluation de l'inspecteur, le ministre est d'avis que la demande soit accordée et il recommande, par conséquent, qu'on l'autorise à vendre à la ville de Le-Pas, dans la province de Manitoba, au prix

de \$1.00 l'acre, le terrain demandé, soit 140 acres, lequel terrain est disponible et peut être plus minutieusement décrit comme suit :

Subdiv. légale 10 de la section 4	40.10	acres.
" " 15 " "	40.10	"
Subdiv. fractionn. 1 " "	23.20	"
" " 2 " "	35.90	"
" " 7 " "	9.	"
partie sud du lot 8	0.60	"
" sud de la sect. 9.			
partie sud du lot 8	0.10	"

le tout dans le township 56, rang 26, à l'ouest du méridien principal, dans la province de Manitoba.

Le comité agréé cette recommandation et la soumet pour approbation.

RODOLPHE BOUDREAU,
Greffier du Conseil privé.

MINISTÈRE DU SERVICE NAVAL.

RÈGLEMENTS DE PÊCHE PARTICULIERS AUX PROVINCES DU NOUVEAU-BRUNSWICK ET QUÉBEC— AMENDEMENTS.

PAR le décret du conseil, 1450, en date du 29 mai 1917, les règlements de pêche particuliers à la province du Nouveau-Brunswick adoptés par l'arrêté ministériel du 9 février 1915 sont par les présentes amendés par l'introduction de la clause suivante :—

Article 6a. Poisson blanc—Lac Baker.

(a) Nul ne peut pêcher, capturer ni tuer du poisson blanc dans le lac Baker si ce n'est au moyen de filets à mailler.

(b) La longueur d'un filet à mailler pour poisson blanc ne doit pas excéder 35 brasses avec mailles de 3 pouces, dont il est défendu de réduire les dimensions.

La largeur de ces filets ne doit pas mesurer plus de 6 pieds.

(c) Nul ne peut pêcher, capturer ou tuer du poisson blanc dans le lac Baker, au moyen de filets à mailler, à moins de posséder un permis délivré par le ministre.

Les droits exigés pour un tel permis s'élèvent à un dollar.

(d) Sur chaque filet à mailler pour poisson blanc doivent figurer le nom du licencié et le numéro de la licence, lisiblement inscrits sur une étiquette en métal ou en bois attachée à une des extrémités du filet.

(e) Nul ne peut pêcher, capturer ni tuer du poisson blanc du 1er octobre au 14 mai suivant, ces deux jours compris.

(f) Il n'est pas permis de faire usage de filets destinés à la capture de poissons autres que le poisson blanc.

(g) Les filets à mailler pour poisson blanc doivent être tendus de façon à ce que les flottes restent visibles à la surface de l'eau.

(h) L'usage des filets à mailler n'est autorisé que le jeudi de chaque semaine au cours de la saison permise.

(i) Seuls les propriétaires ou fermiers des terres aboutissant au lac Baker et y habitant d'une façon permanente ont droit à une licence ; encore n'en est-il délivré qu'une par famille.

(j) Il n'est pas permis de tendre ou d'exploiter des filets dans moins de 8 pieds d'eau, ni en deçà de 50 brasses les uns des autres.

(k) S'il arrivait à une personne de capturer involontairement des truites dans un filet à mailler pour poisson blanc, il lui faudrait les relâcher vivantes et sans blessures au même endroit.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session. Mettout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instructions aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la Chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents dollars.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir:—

(a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... \$100 00

(b) Lorsqu'un bill est présenté dans la Chambre après la huitième Semaine de la session et avant la fin de la douzième..... 100 00

(c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session..... 200 00

(d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000, et n'excède pas \$500,000..... 100 00

(e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000..... 150 00

(f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000..... 200 00

(g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000..... 300 00

(h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000, et n'excède pas \$2,000,000..... 400 00

(i) Pour chaque million ou fraction de million de dollars additionnel.... 100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans les cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, tel qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session, la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,
Greffier des Communes.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées d'un avis dans la *Gazette du Canada*; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit:—

A) Lorsque la demande sera faite pour un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal:—Dans la principale cité ou ville ou dans le principal village dans chaque comté où devront être construits le chemin de fer ou le canal projetés.

2. Une compagnie de télégraphe ou de téléphone:—Dans la principale cité ou ville dans chaque province ou territoire où la compagnie se propose de faire des opérations.

3. Une compagnie pour la construction de travaux quelconques de nature à produire un changement dans une localité particulière par suite de leur construction ou exploitation; ou pour obtenir quelques droits ou privilèges exclusifs; ou pour faire quelques opérations pouvant porter atteinte aux droits ou à la propriété de particuliers:—Dans la localité ou les localités qui pourraient être atteintes par la législation projetée.

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de fidéicommiss; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs quelconques:—Dans la *Gazette du Canada* seulement.

B) Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal:—Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs); ou pour l'augmentation ou la réduction du capital social de quelque compagnie; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie:—Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

C) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée

des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la plus rapprochée dans laquelle il se publie un journal; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

D) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,
Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes:—

CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit."

CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait;

(b) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débiteures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

SENAT.

SUBSTANCES DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.*Telles que révisées et mises en vigueur le 22 mars 1916.*

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, dans le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les traits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants:

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat:

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A) Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt; ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement.

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B) Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

C) Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de la présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les

traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

INTERPRETATION.

2. In the construction of these regulations the following expressions shall have the following meanings, respectively, unless inconsistent with the context:—

‘Mineral’ shall mean all valuable deposits of gold, silver, platinum, iridium, or any of the platinum group of metals, mercury, lead, copper, iron, tin, zinc, nickel, aluminium, antimony, arsenic, barium, bismuth, boron, bromine, cadmium, chromium, cobalt, iodine, magnesium, molybdenum, manganese, phosphorus, plumbago, potassium, sodium, strontium, sulphur (or any combination of the aforementioned

elements with themselves or with any other elements), asbestos, emery, mica, mineral pigments, corundum and diamonds, but excluding radium or any other minerals which may contain radium in sufficient quantity for commercial extraction.

Limestone, marble, clay, gypsum, or any building stone when mined for building purposes, shall not be considered as mineral within the meaning of these regulations.

'Mineral claim' or 'location' shall mean a plot of ground containing mineral, staked out and acquired under the provisions of these regulations.

'Mine' shall mean any land in which any vein or lode, or rock in place, shall be mined for gold or other minerals, precious or base, as defined in these regulations.

'Mining property' shall include every mineral claim, ditch, mill-site, or water right used for mining purposes, and all other things belonging to a mine or used in the working thereof.

'Vein' or 'lode.'—Whenever either of these terms is used in these regulations 'rock in place' shall be deemed to be included.

'Rock in place' shall mean all rock in place bearing valuable deposits of mineral within the meaning of these regulations.

'Full claim' shall mean any mineral claim of the full size.

'Legal post' shall mean a stake or post of any kind of sound timber of sufficient length so that when firmly planted in the ground in an upright position, not less than four feet of such post shall be above ground. The post must be of such diameter that when squared or faced for eighteen inches from the upper end, each face of the squared or faced portion shall be not less than four inches in width across the face for the full eighteen inches, or if a tree of suitable size is found in position, it may be made into a post by cutting the tree off not less than four feet from the ground, and squaring and facing the upper eighteen inches, each face of the portion so squared or faced to be not less than four inches in width. Whether a post is planted or a stump of a tree made into a post, a mound of stones or earth shall be erected around the base of the post, such mound of earth or stones to be not less than three feet in diameter on the ground, and not less than eighteen inches high, cone-shaped and well constructed.

'Location line' of a mineral claim shall mean a straight line opened or indicated throughout between No. 1 and No. 2 location posts of the mineral claim, and joining them.

'Adjoining claims' shall mean those which come into contact one with the other at some point on the boundary lines, or which share a common boundary.

'Representation' or 'assessment' shall mean the work to be done, or the payment to be made each year to entitle the owner of a claim to a certificate of work.

'Mill-site' shall mean a plot of ground located, as described by these regulations, for the purpose of erecting thereon any machinery or other works for transporting, crushing, reducing or sampling ores, or for the transmission of power for working mines.

'Ditch' shall include a flume, pipe or race, or other artificial means for conducting water by its own weight, to be used for mining purposes.

'Minister' shall mean the Minister of the Interior of Canada.

'Mining recorder' shall mean the agent of Dominion lands for a district or other officer appointed by the Government or gold commissioner, for the particular purpose referred to.

'Record,' 'register' and 'registration' shall have the same meaning, and shall mean an entry in some official book kept for that purpose.

'Cause' shall include any suit or action.

'Judgment' shall include 'order' or 'decree.'

'Documents' for the purposes of these regulations shall mean any assignment, transfer, bill of sale or other writing, which may in any way affect the title to a mineral claim.

'Entry' shall mean not only the record of a claim in the books of the mining recorder, but also the grant which may be issued for such claim.

- (c) Record book; and
- (d) Record of documents received.

4. Every entry made in any of the mining recorder's books shall show the date upon which such entry is made.

5. All books of record and documents filed shall, during office hours, be open to public inspection free of charge.

6. A statement of the grants issued and fees collected shall be rendered by the mining recorder at least every month, and such statement shall be accompanied by

the amount collected, or, if the money has been deposited to the credit of the Receiver General, by the deposit receipts.

7. If a mineral claim has been abandoned or forfeited by any person, the mining recorder may, in his discretion, permit such person to relocate such mineral claim or any part thereof: Provided that such relocation shall not prejudice or interfere with the rights or interests of others.

8. No claim shall be so relocated by or on behalf of the former holder thereof within thirty days of its being so abandoned or forfeited, nor until after notice of such abandonment or forfeiture has been posted up for at least a week in a conspicuous place on the claim and in the office of the mining recorder, nor until a statutory declaration has been filed with the mining recorder that the notice has been so posted.

9. The mining recorder may mark out a space of ground for deposit of leavings and deads from any tunnel, claim or mining ground, upon such terms as he may think just.

10. The mining recorder shall have the power to summarily order any mining works to be so carried on as not to interfere with or endanger the safety of the public or any employee of such mining works, any public work or highway, or any mining property, mineral claim, bed-rock drain, or bed-rock flume; and any abandoned works may by his order be either filled up or graded to his satisfaction.

11. Where a claim has been recorded under any name, and the owner or his agent is desirous of changing the same, the mining recorder may, upon application being made by such owner or agent, and upon payment of a fee of \$25, amend the record accordingly: Provided, however, that such change of name shall not in any way affect or prejudice any proceedings or execution against the owners of the said claim.

WHERE AND BY WHOM CLAIMS MAY BE ACQUIRED.

12. Every person eighteen years of age, or over, but not under, shall have the right personally, but not through another except as provided in section 48 of these regulations, to enter, locate, prospect, and mine upon any vacant Dominion lands for the minerals defined in these regulations, and upon all lands the right whereon to to enter, prospect, and mine such minerals has been, or hereafter shall be reserved to the Crown, and also to enter, locate, prospect and mine for gold and silver upon any lands the right whereon so to enter and mine such gold and silver has been, or shall be reserved to the Crown.

13. Excepting, however, lands situated in the province of British Columbia (with the exception made in section 1 of these regulations), and excepting also any land occupied by any building, and any land falling within the curtilage of any dwelling house, and any orchard, and any land valuable for water power purposes, or for the time being actually under cultivation, unless with the written consent of the owner, lessee or locatee or of the person in whom the legal estate therein is vested, and any land on which is situated any church or cemetery, and any land lawfully occupied for mining purposes, and excepting also Indian Reserves, Dominion Forest Parks and military, naval, quarantine or other like reservation made by the Government of Canada.

14. No person shall enter upon for mining purposes, or shall mine upon lands owned or lawfully occupied by another until he has given adequate security, to the satisfaction of the mining recorder, for any loss or damage which may be thereby caused, and persons so entering, locating, prospecting or mining upon any such lands shall make full compensation to the owner or occupant of such lands for any loss or damage so caused, such compensation, in case of dispute, to be determined by a court having jurisdiction in mining disputes.

SIZE OF CLAIMS AND NUMBER WHICH MAY BE ACQUIRED.

15. Any person desiring to locate a mineral claim shall, subject to the provisions of these regulations with respect to land which may be located for such purpose, and having discovered mineral in place within the area proposed to be located by him as a mineral claim, enter upon the same and locate a rectangular plot of ground not exceeding 1,500 feet in length by 1,500 feet in breadth, and subject in extent to the rights acquired to any claim or claims previously located in the vicinity, on which such location may encroach. Where a number of contiguous claims have been located, priority of location shall be deemed to convey priority of right to the claims so located, but no locator shall have any prior rights unless and until he has located his claim in accordance with the provisions of these regulations. Priority of right, however, shall in all cases be subject to the claim being recorded within the delays specified in these regulations, and subsequently maintained in good standing. All angles shall be right angles, except in cases where a boundary line of a previously located claim is adopted as common to both locations, but the boundaries need not necessarily be due north, south, east and west lines. In defining the size of a mineral claim it shall

be measured horizontally, irrespective of the inequalities of the surface of the ground.

16. Any person of the prescribed age having discovered mineral in place, and desiring to locate a fractional mineral claim embracing such discovery, shall, subject to the provisions of these regulations with respect to land that may be located for such purpose, enter upon the same and locate any plot of ground lying between and bounded on opposite sides by previously located mineral claims and known by the locator to measure less than 1,500 feet in length by 1,500 feet in breadth as a fractional mineral claim; such fractional mineral claim need not be rectangular in form and the angles need not necessarily be right angles, and the lines of the previously located mineral claims, whether surveyed or not, between which the fractional mineral claim is located, may be adopted as the boundaries of the fractional mineral claim.

17. No person shall be entitled to acquire in his own name, or in the name of any other person for his benefit, more than one mineral claim on the same vein or lode, except by assignment, but he may locate a claim on each separate vein or lode on which he may have made independent discovery.

18. The Minister may grant a location for the mining of iron and mica, not exceeding 160 acres in area, which shall be bounded by due north and south and east and west lines, and its breadth and length shall be equal. Provided that should any person making any application purporting to be for the purpose of mining iron or mica thus obtain possession of a valuable mineral deposit other than iron or mica, his right to such deposit shall be restricted to the area hereinbefore prescribed for other minerals, and the rest of the location in so far as such valuable deposit is concerned, shall thereupon remain in the Crown for such disposition as the Minister may direct.

19. The grant issued for such a location shall include the right to the iron and mica only, and shall not include the surface.

20. Provided also that all the requirements as to the location and survey of claims contained in these regulations shall govern such locations as far as they can be made to apply, and provided also that the amount to be expended each year in representation work, or to be paid in lieu thereof, shall be double the amounts prescribed in sections 55 and 56 of these regulations.

HOW A CLAIM SHALL BE STAKED.

21. Every claim shall be marked on the ground by two legal posts firmly planted in the ground, one at each extremity of the location line, which shall be known as location post No. 1 and location post No. 2, also by one legal post which shall be called 'discovery post.' The location line may have any bearing or direction, but must be a straight line measured horizontally between the location posts, the distance between post No. 1 and post No. 2 shall not exceed 1,500 feet, but it may be less. (See figures 1 and 2.)

22. The inscriptions to be placed on these posts shall be and remain clearly and legibly marked by knife, marking iron or crayon, but not so as to become illegible or obliterated.

23. On location post No. 1 on the side facing in the direction of location post No. 2 shall be marked, beginning near the top of the portion faced and extending downward, the following:—

- (1) No. 1;
- (2) The name given to the claim;
- (3) The letter indicating the direction of location post No. 2—'N' for north or northerly, 'S' for south or southerly, 'W' for west or westerly, and 'E' for east or easterly;
- (4) The number of feet lying to the right and the number of feet lying to the left of the location line—'R' for right and 'L' for left;
- (5) The month and date of the month upon which the location was made;
- (6) The year;
- (7) The name of the person locating the claim. (See figure 3.)

24. On location post No. 2 shall be marked on the side of that post facing in the direction of location post No. 1, beginning near the upper end of the portion faced and extending downward, the following:—

- (1) No. 2;
- (2) The name given to the claim;
- (3) The month and date of the month upon which the location was made;
- (4) The year;
- (5) The name of the person locating the claim. (See figure 4.)

25. The locator standing at location post No. 1 and facing in the direction of post No. 2 shall have the right and left of the location line to his right and left respectively.

26. Where the location line intersects the lode or vein upon which mineral has been discovered in place the discovery post shall be planted, and shall be marked with the letters 'D. P.' and the name given to the claim. (See figures 5, 6, 7 and 8.)

27. The markings on the location posts of a fractional claim shall be the same as those upon a claim of the full size, with the addition of the letter 'F' for fractional immediately below the name given to the claim, and below this the length of the location line in feet. On the discovery post of such a claim the letter 'F' shall also be placed.

28. In case it is found impossible, owing to the presence of water or other insurmountable obstacle, to set out post No. 2 in its proper position at one end of the location line, the locator may set up a 'witness post' on the location line as near as possible to where post No. 2 should have been placed, and upon this witness post he shall place, in addition to that already prescribed in these regulations to be placed on post No. 2, the letters 'W. P.' and the distance in feet and the direction of the point at which post No. 2 would have been placed had it been possible to do so.

29. If a locator, however, marks his location by means of a witness post and it is subsequently ascertained, to the satisfaction of the Minister, that such action was not necessary, and that it was possible at the time to set post No. 2 in its proper place on the location line, then such witness post shall be considered and dealt with as location post No. 2 of the claim and shall be regarded as the termination of the location line. Location post No. 1, however, shall not under any circumstances be marked with a witness post.

30. When the claim has been located the locator shall immediately mark out the location line joining post No. 1 with post No. 2 so that it may be distinctly seen at every point throughout its entire length. In a timbered locality the line shall be opened up throughout its length by cutting away trees and brushwood and removing obstructions, and trees and brushwood likely to obstruct a clear view of the line throughout its entire length or of the posts marking the claim shall be removed. The trees at each side of and adjoining the location line shall also be marked by placing on each tree three blazes, one blaze on each tree facing the location line and one blaze on each side of the tree in the direction of the said line. In a locality where there is neither timber nor underbrush the locator shall set legal posts or erect monuments of earth or rock, not less than eighteen inches high and three feet in diameter at the base, so that such line may be distinctly seen throughout its entire length.

31. The sides of a mineral claim located as of the full size shall be parallel to the location line of such claim, subject, however, to any claims previously located, and the ends of a mineral claim shall be at right angles to the location line, subject, however, to interference with claims already located. The location line may form one of the sides of a mineral claim, or a portion of the location may lie on either side of such line, provided, however, that the number of feet lying to the right of the location line and the number of feet lying to the left of such location line shall not together exceed in all 1,500 feet.

33. All the particulars required to be put on No. 1 and No. 2 posts shall be furnished by the locator to the mining recorder in writing, at the time the claim is recorded, and shall form a part of the record of such claim. The locator shall submit with his application a plan showing, as nearly as possible, the position of the location applied for in its relation to the prominent topographical features of the district and to the adjoining claims, or some other known point; also the position of the stakes by which the location is marked on the ground.

REMOVING OR DEFACING POSTS.

34. It shall not be lawful to move post No. 1, but post No. 2 may be moved by a Dominion land surveyor when it is found upon making the survey that the distance between post No. 1 and post No. 2 exceeds 1,500 feet in order to place post No. 2 at a distance of 1,500 feet from post No. 1 on the line of location. When the distance

between post No. 1 and post No. 2 is less than 1,500 feet a Dominion land surveyor has no authority to extend the claim beyond post No. 2.

35. It shall not be lawful for any person to move any location post or to deface or to alter in any manner the notices on the same.

36. Any person removing or disturbing with intent to remove any legal post, stake, picket or other mark placed under the provisions of these regulations or defacing or altering in any manner the notices on any of the legal posts placed thereon under these regulations, shall on summary conviction be liable to a fine not exceeding \$100 and costs; and in default of payment of the fine and costs to imprisonment for any period not exceeding six months.

37. When a fractional mineral claim has been located between previously located and unsurveyed mineral claims, and when any such previously located mineral claims are surveyed, if any of the posts of the fractional mineral claim are found to be on the previously located mineral claims, the location of such fractional mineral claim shall not be invalid by reason of the location posts of the fractional mineral claim being on such previously located mineral claims, and the owner of such fractional mineral claim may, by obtaining the permission of the mining recorder of the district, move the posts of the fractional mineral claim and place them on the surveyed line of the adjoining previously located mineral claims.

38. Nothing in these regulations, however, shall be construed to prevent Dominion land surveyors in their operations from taking up posts or other boundary marks when necessary.

RECORDING.

39. Every person locating a mineral claim shall record the same with the mining recorder of the district within which the same is situate within fifteen days after the location thereof if located within ten miles of the office of the said recorder. One additional day shall be allowed for such record for every additional ten miles or fraction thereof. Such record shall be made in a book to be kept for the purpose in the office of the said mining recorder in which shall be inserted the name of the claim, the name of the locator, the locality, the direction and length of the line from post No. 1 to post No. 2, the date of the location, and the date of record. Such record shall be, as nearly as may be possible, in the form 'B' in the schedule of these regulations, which form, duly completed and signed, shall be given by the mining recorder to the locator or his agent. A claim which shall not have been recorded within the prescribed period shall be deemed to have been abandoned and forfeited, without any declaration of cancellation or abandonment on the part of the Crown.

40. In the event of the claim being more than one hundred miles from the recorder's office, and situated where other claims are being located, the locators, not less than five in number, are authorized to meet and appoint one of their number an 'emergency recorder.'

41. The emergency recorder shall, at the earliest possible date after his appointment, notify the Government mining recorder for the district in which the claims are of such appointment, and he shall deliver to such mining recorder the applications which he may have received for mineral claims and the fees which he may have collected for recording the same. The Government mining recorder shall then grant to each person from whom the emergency recorder has accepted an application and a fee an entry for his claim in the form 'B' of these regulations, provided such application was made in accordance with the provisions of these regulations on form 'A' or 'A-1' thereof. The entry to date from the day the emergency recorder accepted the application and fee. If the emergency recorder fails within four months to notify the Government mining recorder of his appointment, or to deliver to him the applications received and the fees collected, entry for such claims may be refused in the discretion of the Minister.

42. No mineral claim shall be recorded without the application being accompanied by an affidavit or solemn declaration made by the applicant on form 'A' of these regulations, or if it be a fractional claim in the form 'A-1.'

43. Provided that failure on the part of the locator of a mineral claim to comply in every respect with the foregoing provisions shall not be deemed to invalidate such location, if upon the facts it shall appear to the satisfaction of the mining recorder that such locator has actually discovered mineral in place on the location, and has staked out such location as nearly as possible in the manner prescribed, and that there has been on his part a *bona fide* attempt to comply with all the provisions of these regulations, and that the non-observance of any of the formalities hereinbefore referred to is not of a character calculated to mislead other persons desiring to locate claims in the vicinity. The mining recorder may, however, before granting entry require the locator to immediately remedy any material defaults committed in the observance of the formalities required by these regulations in respect of the location of a mineral claim, and if such defaults are not remedied within a period to be fixed by the mining recorder, and to his satisfaction, entry may be refused.

44. A locator shall not be entitled to a record of a mineral claim until he shall have furnished the mining recorder with all the particulars necessary for such record.

45. The record of a mineral claim shall be made at the office of the mining recorder of the district in which the claim is situated, but the application may be made to an agent or a sub-agent of Dominion lands to be forwarded to the mining recorder for the district in which the claim is situated. The date upon which the application and fee may be received in the office of the mining recorder for the district in which the claim is situated, however, shall govern, and shall be considered the date of the application.

46. Where a tunnel is run for the development of a vein or lode the owner of such tunnel shall, in addition to any mineral claim legally held by him, have the right to all veins or lodes discovered in such tunnel, provided that the ground containing such veins or lodes be marked out by him as a mineral claim, and provided further, that such veins or lodes are not included in any existing mineral claim. Any money or labour expended in constructing a tunnel to develop a vein or lode shall be deemed to have been expended on such vein or lode.

47. Any person upon satisfying a mining recorder that he is about to undertake a *bona fide* prospecting trip to a distant part of the district, may receive written permission from the mining recorder to record at his own risk a claim within the mining district at any time within a period not exceeding six months from the date upon which such written permission was given.

48. No record shall be granted for a claim which has not been staked by the applicant in person in the manner specified in these regulations: Provided that if any person satisfies the mining recorder that he is about to undertake a *bona fide* prospecting trip to a distant part of the district, and files with the mining recorder in advance a power of attorney from any number of persons, not exceeding two, authorizing such person to stake claims for them in consideration of their having enabled him to undertake the trip, he may stake one claim in the name of each such person upon any lode or vein upon which he may make independent discovery.

49. The holder of a mineral claim shall be entitled to all minerals to which these regulations apply, the property of the Crown, which may lie within his claim, but he shall not be entitled to mine outside the boundary lines of his claim continued vertically downwards.

50. Any location made upon Sunday or any public holiday shall not for that reason be invalid.

51. The interest of a grantee of a mineral claim shall, prior to the issue of a lease, be deemed to be a chattel interest, equivalent to a lease of the minerals in or under the land for one year, and thence from year to year, subject to the performance and observance of all the terms and conditions of these regulations.

ABANDONMENT.

52. A holder of a mineral claim may at any time abandon the same or relinquish his lease thereof, provided he has complied in every respect with the provisions of the regulations, and that all payments on account of rental or other liability to the Crown, due by him in connection with such claim, have been fully made. Notice in writing of his intention to abandon shall be given to the mining recorder, and from the date of the record of such notice all interest of such holder in such claim shall cease.

53. When the holder of a mineral claim abandons it he shall have the right to take from the same any machinery and any personal property which he may have placed on the claim, and any ore which he may have extracted therefrom, within such time as shall be fixed by the mining recorder, provided all payments due on account of rental or other liability to the Crown in connection with the claim have been fully made.

GROUPING.

54. Adjoining claims, not exceeding eight in number, may be worked by the owners thereof in partnership upon filing a notice of their intention with the mining recorder and upon obtaining a certificate according to form 'E' of these regulations. This certificate will allow the holders thereof to perform on any one or more of such claims all the work required to entitle him or them to a certificate of work for each claim so held by him or them. If such work shall not be done, or if payment shall not be made in lieu thereof as prescribed in section 56 of these regulations, the claims shall be deemed to be vacant and abandoned without any declaration of cancellation or forfeiture on the part of the Crown.

REPRESENTATION.

55. Any person having duly located and recorded a mineral claim shall be entitled to hold it for the period of one year from the date of recording the same, and thence from year to year without the necessity for re-recording: Provided, however, that

during each year and each succeeding year such locator shall do, or cause to be done, work on the claim itself to the value of \$100, and shall within fourteen days after the expiration of the year, satisfy the mining recorder that such work has been done, by an affidavit in the form 'C' of these regulations, and setting out a detailed statement of such work, and shall obtain from the mining recorder a certificate of such work having been done on form 'D' hereto. Provided also that all work done outside of a mineral claim with intent to work the same shall, if such work has direct relation and be in direct proximity to the claim, be deemed, if to the satisfaction of the mining recorder, for the purpose of this section, to be work done on the claim.

56. The holder of a mineral claim may, in lieu of the work required to be done by section 55 of these regulations on a claim each year, pay to the mining recorder in whose office the claim is recorded the sum of \$100, and receive from such mining recorder a receipt for such payment. Such payment and the record thereof in any year shall relieve the person making it from the necessity of doing any work during year in and for which and upon the claim in respect of which such payment is recorded, and he shall be entitled to a certificate of work for the year.

57. If, however, the prescribed amount of work is not done during the year, or if payment is not made in lieu thereof, as provided in section 56 of these regulations, the claim shall, at the expiration of the period of fourteen days provided for, lapse and shall forthwith be open to re-location under these regulations without any declaration of cancellation or forfeiture on the part of the Crown.

58. If the recorded owner of a fractional mineral claim furnishes evidence, to the satisfaction of the mining recorder, that the area of such claim is less than twenty-five acres, the expenditure required to be incurred each year in mining operations on such fractional claim, or the payment to be made in lieu thereof, to entitle the recorded owner to a certificate of work shall be one-half that required under these regulations in respect of a full claim. If, however, upon survey, a fractional claim in connection with which such representations have been made is found to contain twenty-five acres, or more, the recorded owner thereof shall pay to the mining recorder whatever additional amount may be necessary to represent a full claim, with interest, before he shall be entitled to receive a certificate of improvements in connection with such claim.

59. If two or more persons own a claim, each such person shall contribute, proportionately to his interest, to the work required to be done by section 55 of these regulations, and in the event of its being proven to the mining recorder or the gold commissioner, after notice of hearing has been served as directed on all parties interested, that any co-owner has not done so, his interest shall become vested by order of the gold commissioner or mining recorder in the other co-owner or co-owners according to their former interests.

DISPUTES.

60. In case of any dispute as to the location of a mineral claim the title to the claim shall be recognized according to the priority of such location, subject to any question as to the validity of the record itself, and subject, further, to the locator having complied with all the terms and conditions of these regulations.

61. Upon any dispute as to the title to any mineral claim, no irregularity happening previous to the date of the record of the last certificate of work shall affect the title thereto, and it shall be assumed that up to that date the title to such claim was perfect, except upon suit by the Attorney General of Canada based upon fraud.

62. Whenever through the acts or default of any person other than the recorded owner of a mineral claim or his agent by him duly authorized, the evidence of the location or record on the ground, or the situation of a mineral claim has been destroyed, lost or effaced, or is difficult of ascertainment nevertheless effect shall be given to same as far as possible, and the court shall have power to make all necessary inquiries, directions and references in the premises, for the purpose of carrying out the object hereof, and vesting title in the first *bona fide* acquirer of the claim.

63. No person shall suffer from any acts of omission or commission, or delays on the part of any Government official, if such can be proven.

TITLE.

64. Payment may be made to the mining recorder of the sum of \$500 in lieu of expenditure on a claim of the ordinary size, and in the case of a claim of excessive size, acquired under the provisions of section 18 of these regulations, payment may be made of double that amount in lieu of such expenditure. In case payment in lieu of expenditure is made, the recorded owner of the claim shall comply with all other provisions of these regulations, except such as have respect solely to the work required to be done on the claim.

65. Whenever the lawful holder of a mineral claim shall have complied with the following requirements, to the satisfaction of the mining recorder, he shall be entitled to receive from the recorder a certificate of improvements, form 'F' in respect of

such claim, unless proceedings by the person claiming an adverse right under section 70 of these regulations have been taken:—

(a) Done or caused to be done work on the claim itself in developing a mine to the value of \$500, exclusive of the cost of all houses, buildings and other like improvements, or made payment in lieu as provided in section 56 of these regulations. The value of the work done, as assessed by the mining recorder, and the amount paid and accepted in lieu thereof, shall together be equal to at least \$500. In the case of a fractional claim, however, the work to be done or the payment to be made in lieu thereof shall be that specified in section 58 of these regulations. For the purposes of this section work done on a claim by a predecessor or predecessors in title shall be deemed to have been done by the person who receives a transfer of such claim. The cost of the survey, not to exceed \$100, however, may be counted as work done on the claim: Provided it has been accepted in lieu of representation work;

(b) Found a vein or lode within the limits of such claim;

(c) Had the claim surveyed at his own expense in accordance with instructions from the Surveyor General, by an authorized Dominion land surveyor, and had the survey thereof duly approved;

(d) Shall have posted in some conspicuous part of the land embraced in the survey a copy of the plan of the claim signed and certified as accurate under oath by the surveyor, and a legible notice in writing in form 'G' of the schedule of these regulations, of his intention to apply for a certificate of improvements, and shall also have posted a similar notice in the mining recorder's office, and such notice shall contain:—

(1) The name of the claim;

(2) The name of the lawful holder thereof;

(3) His intention to apply for a certificate of improvements at the end of sixty days for the purpose of obtaining a lease;

(4) The date of the notice.

(e) Inserted a copy of such notice in a newspaper published in and circulating in the district in which the claim is situated (such paper to be approved by the mining recorder) for at least sixty days prior to such application, which insertion can be made at any time after the posting of the notice on the claim. If no paper is published in the district, then the notice shall appear in the nearest published paper;

(f) Shall have filed with the mining recorder a copy of the surveyor's original plan of the claim, signed and certified as accurate under oath by the surveyor, immediately after posting the notice on the claim of his intention to apply for a certificate of improvements;
